"My calling to practice law began because I grew tired of seeing good people chewed up by the court system every day. I've represented hundreds of people in civil and criminal cases throughout Oregon, ranging from simple protective orders to complex felony litigation. My promise is that I will work tirelessly to get you the best possible outcome in each and every case."

"I cannot say enough wonderful things about Matthew Watkins. Matthew took on our case, which was a complicated one and never gave up. He continued to give us 110% even when all hope was gone and a positive outcome was reached. No jail time and NO excessive fees and all because Matthew fought for my family!" - Jennifer G
