

### Funeral Rites Held for Mrs. Rice, Tue.

Christian Science funeral services for Mrs. Marguerite Rice, who died near Harbor, last Saturday, were held Tuesday at 2 p.m. at the Brookings Community church.

The Christian Science services were conducted by Mrs. A. E. Sandbo, with Mrs. Mark Wood at piano. Mrs. Margarethe Tisler sang a solo: "Trust in the Lord," by Franz Abt.

Many beautiful floral pieces were sent by her multitude of friends.

Mrs. Rice is survived by her younger son, Dr. Guy Rice, and son, Albert MacDonald. She was born in California and moved to Harbor about 10 years ago when she and her husband bought what was formerly known as the Walters farm. Since that time they both have been actively engaged in farming and raising lilies.

The casket bearers were: A. Sandbo, Roy Jacobs, Roy Henry, Walter Pearmine, Otto James and H. T. James. Cremation will be at Grants Pass. Funeral arrangements were under direction of Roeder Funeral Home, of Crescent City.

### In The Mailbox:

RECREATION CENTER OR ??????

A nation-wide effort is being made to establish recreation centers, that teen-agers run and enjoy themselves.

It's obvious that this movement is "The Stitch in Time," to help prevent youthful crime.

This is a challenge to the citizens and organizations of our community to support and provide supervised recreation, in an effort to prevent the average delinquencies of youth, now.

You know these teeners of today, and our warriors and protectors of tomorrow, even willing to sacrifice time or lives for you and for me.

A community, so blest, with the smile of "Dame Fortune," which in reality is the "providence of God," to be free and prosperous, should find a way. The American Way, never to accept defeat, but to forge ahead for mutual benefit.

The teens of Brookings-Harbor extend their thanks to the adults who attended their meeting Feb. 19, and to Mr. Kemp for use of his Pine Cone Theatre. These teeners solicit your co-operation, now.—Bill Foltz.
