Seventy Hams Ordered For Gun Club Shoot

Plans for the Chetco Rod & Club's shoot are progressing rapidly, according to the men in charge of the affair. Committees have been formed to in their different capacities.

Seventy hams are on the way for the expected ham-hungry nimrods who will vie at the firing line with either shotguns or rifles on April 7. If weather, that day is bad, the shoot will be postponed until April 14.

Hopes are held that a clay pigeon event will be added. Only two iron sights will be permitted in rifle contests. Any calibre rifle will be allowed in the contest.

Cpl. Roy Sullivan, who was with the combat engineers communi-

cation service in Northern Europe, arrived, Tuesday afternoon. He is at the ranch home of his parents, Mr. and Mrs. Frank Sullivan, west of Brookings.

Jim Robinson returned Monday evening from San Francisco. Mrs. Robinson remained for a longer visit there.
