Prospects Bright For Furniture Factory

When Mr. Hazel came to the Pilot office Monday, to check into possibilities of a building suitable for a furniture factory, he was certainly one man who was full of enthusiasm for this area.

His wife, long a sufferer of arthritis, had been in this area but a few hours, he claimed, until she felt relief. The pair went fishing on the Chetco river, near the bridge, and the two almost caught their limit in a short forenoon—he talked and talked about the good fishing, and said he (or rather They) wanted more of it.

Talking about his work, about his manufacturing plant, Mr. Hazel pointed out that he had what was considered a medium-sized establishment, which employed several people, that he manufactured lay work, and was enthusiastic about being in an area where he could obtain myrtlewood for manufacture of furniture of it.

Unless he suddenly changes his mind, this new industry looks reasonably certain for this area.

Long an employe of Sears Roebuck Company, part of which was in that capacity, Mr. Hazel has been a furniture maker all his life, starting it first as a hobby when still a young man.

Fame of Chetco Fishing Widespread

That the Chetco's fame as a fishing stream is widespread, the Pilot, Monday, received a letter from a person at McMinnville, who asked this newspaper to put him in touch with a tourist court which could accomodate a party of six for a week, early in July.

Fishing, and hunting in the fall, certainly acts as a magnet for sportsmen who like the best. Long famed as one of the virgin territories for both sports this area will attract more and more once facilities are built to care for such business.

Recreation, as everyone along the coast knows, is a business toward which much should be done and that quickly. Everything is here: climate, scenery, game, suitable sites for camps, to say nothing about the game which inhabits the country.

Who?

How many former neighbors of yours are there living within the area reached by the Pilot? Wouldn't you like to know? Here is how you can find out—how you can meet up with folks who originally came here from your home state:

If you are 18 years of age, or older, get your mail at Brookings, Harbor, Pistol River, or Smith River post office, drop the Pilot a card, with your full name, address, and post office address at which you were born. If a married lady, between your given and your husband's last name, enter your maiden name: Thus—

Mrs. Mary (Jones) Smith, Harbor, born at Rock Cliff, Wyo. Beginning with the June 27 issue of the Pilot, names received will be published in the following groups, one group a week. Delay has been made so as to give every reader a chance to send a card with his name and address, and also to allow time for the person (if not already on the list) to come in to subscribe to the Pilot, so as not to miss a listing of people from your home state.

The first group on each weekly list will be the native Webfoes (Oregonians) —get your names in quickly, so it will be easy to compile the list. And the rest of you follow backward Aksarbens, those from the state that's round at both ends and high in the middle, Hoosiers, Down Easters, those who got away from California or Texas, those from the spud state—let's have your cards, thick and fast, so you won't be left out—AND BE SURE TO SEND COMPLETE DATA—we can't make corrections and want to get you lined up right with others from your state.

TELL YOUU NEIGHBORS!

Here's the order in which the lists will be printed each week: 1. Oregonians; 2. New Englanders; 3. New York, New Jersey, Pennsylvania; 4. Maryland, Delaware, D. C., Virginia, West Virginia; 5. North and South Carolina, Georgia, Florida; 6. Kentucky, Tennessee, Louisiana, Alabama, Mississippi; 7. Texas, Oklahoma; 8. Missouri, Arkansas; 9. North and South Dakota, Nebraska, Kansas, Iowa; 10. Minnesota, Michigan, Wisconsin; 11. Montana, Wyoming; Colorado, Arizona, New Mexico; 12. Washington State; 13. California, Utah, Nevada; 14. Ohio, Illinois, Indiana; 15. Those born outside the United States.

And, in the meantime, start planning to call on the folks from your home state. Arrange picnics or pot-luck feeds at the beautiful Azalea State Park, on Mill Beach, or at one of the hundreds of places your Oregon home offers for your enjoyment. HOWEVER all those not on the Pilot list must subscribe so as not to miss anything.
