CRESCENT CITY — Michael Saccony, 25, wanted by Rupert, Idaho, officers for investigation, was taken early Thursday near here in what sheriffs said almost developed into a gun battle.

Acting on a tip, Undersheriff Frank Blackerby, Highway Patrol Chief Ed Huffman and Deputy Ray Paisted waited at the junction of the Redwood and Oregon coast highways until a car answered the description of the suspect's vehicle, came into view.

The car was stopped by the siren and Saccony jumped out, gun in hand, the sheriffs said, ready to fight it out with Huffman and Paisted. However, out of range of the headlight, Blackerby, approached Saccony undetected, and stuck a gun in his ribs, thus ending the threat.

Riding with Saccony was an unidentified hitchhiker, who reportedly spent an uncomfortable few minutes. Saccony was taken to the county jail.

### Members of Coos Electric Co-op:

We are making progress, however slow, toward completion of the lines in the immediate vicinity. Materials are slowly coming in—permitting us to keep our eight-man crew going every day, but still too slow to permit us completion of the lines as we go along.

With your co-operation, since this is also your co-op, realization of an early completion also is up to you, how much you are able to locate any of those vital materials needed in line construction. Please do what you can, it'll be appreciated by everyone, as well as by your own self.

Poles are being set in the main part of town this week, as you have noticed.

This is your co-op, it is your duty to help in any way you can, at any time.
