### "Change" Is Made . . . . .

According to a recently-erected sign on Lee English's property, at the corner of Easy Street and Highway 101, it's now 10 miles from there to Brookings and a short 27 miles to Leith's Motel, at Gold Beach. It doesn't seem any more like 10 miles from town to Easy Street, than it seems like only 27 miles to the county seat.

### They Plan Some Work

Nicky Baumgartner and Bill Smith have been using Sy Payne's truck, hauling materials out to a ranch, Nick Sr. owns below Colgrove's. Lumber, shakes, fence posts, etc., have made up several loads and Nick and Bill will probably be pretty busy for some time to come.
