While working with his popper machine at the Pine Cone Centre, last Wednesday evening, Morris Kemp, in some manner, had the popper, pouring hot water over his left hand, badly burning two of his fingers. Other than being painful, the burn is in no way serious. Dr. O. Schmitt was called from the chamber of commerce meeting to dress the hand.

from asthma. Accompanying the Metlers was Mrs. Ina Haffner, of Spokane, who has been visiting her daughter. She will go from there to Spokane.

"Truth" was the subject of the lesson-sermon in all the Churches of Christ, Scientist, on Sunday, July 28.

The Golden Text was, "Into thine hand I commit my spirit; thou hast redeemed me, O, Lord God of Truth" (Ps. 31:5).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Stand fast therefore in the liberty where-with Christ hath made us free, and be not entangled again with the yoke of bondage. Ye did run well; who did hinder you that ye should not obey the truth?" (Gal. 5:1,7).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "We never need to despair of an honest heart; but there is little hope for those who come only spasmodically face to face with their wickedness and then seek to hide it. We should examine ourselves and learn what is the affection and purpose of the heart, for in this way only can we learn what we honestly are" (page 8).
