

Boat Exchanges:

COQUILLE—Over twenty boats from the lower Coquille river from Gold Beach with fishermen from Curry county after the Chinook and Silversides are now coming into the river.

present in lesser numbers from Coos Bay and North Bend. A large group of Coquille boats on the river Sunday and a number of those making catches were from Petit, local fisherman.

According to sportsmen of this county the fame of the Coquille is spreading all over, and fishing is considered even better in the Coquille than in many other high-class streams.

COQUILLE—With over \$10,000

paid to berry pickers in Coos and Curry counties this season, the Kelly-Farquhar company closed its receiving station last Wednesday in Coquille.

The berries were brought here from various pickup stations and prepared for quick-freeze. They were sold by the Kelly-Farquhar company to various outlets.

The blackberry picking industry was an outgrowth of Dr. J. D. Rankin's Chamber of Commerce committee who had worked on this method of using the many blackberries growing in this section.

SMITH RIVER—Smith River American Legion Post No. 712, installed 1946 officers at their regular meeting on Tuesday night, with John Bowie as commander; Harold Nilsen, 1st vice-commander

Paul Maris, 2nd vice-commander; Jay Hart, adjutant; Joe Guinn, sergeant at arms; John Barnum, past commander.

CRESCENT CITY — The Calif. Shingle Company's new plant located on the Alpa property in Elk Valley, is now in full operation and turning out sawed shingles as well as redwood shingles. Production is in charge of G. R. Pettigrew who has had many years of experience in the manufacture of shingles. Dick Clements supervises logging operations.

The firm is using a Sumner machine of the newest type. It is expected that heavy production of the "California Pack" shingle, a product of high quality and extra breadth, will be attained. The plant is owned by I. T. Allison.

Local News Items

Attorney Ed F. Ackley returned Sunday from San Francisco where he had been the past three weeks on a case in the tax court of that city. Mrs. Ackley remained with her mother for a time to be with her mother whose health is poor.

Mr. and Mrs. Earle Coburn, and his parents, Mr. and Mrs. H. G. Coburn, of Dayton were brief visitors in Brookings last Saturday, en route home from a trip to Crater Lake and other southern Oregon points. Earle Coburn is a garage man.

Christian Science Society
Services Sunday at 11 a. m. at the I. O. O. F. hall. The public is cordially invited to attend.
"Reality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 29.

The Golden Text was, "In God is my salvation and my glory: the rock of my strength, and my refuge, is in God" (Ps. 62:7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things" (Phil. 4:8).

The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health, with Key to the Scriptures" by Mary Baker Eddy: "The Bible declares: 'All things were made by Him (the Divine word); and without Him was not anything made that was made. This is the eternal verity of divine Science. That only is real which reflects God'" (ps. 480, 478).

Star of the Sea Catholic Church
First Sunday of month at 12 noon.
