# Not Guilty!

I plead "Not Guilty" to accusations made in vicious rumors which are making their rounds in this community. I did not cut price on my bulbs as accused, and will submit proof (the memorandum on the check made in payment) which reads (ask to see this memorandum):

6273 7-inch Croft bulbs at 30c.....	\$1881.90
4952 8-inch Croft bulbs at 50c.....	\$2426.00
1296 9-inch Croft bulbs at 66c.....	\$ 864.00
141 10-inch Croft bulbs at 82c.....	\$ 158.40

If you still are a "doubting Thomas" please come and see the proof, and then hush this rumor.
