## The Serious Side

Here is a lesson to help those  
who are studying politics but don't  
quite understand the facts of the  
politics one hears so much of  
in these modern times.

**Socialism** - If you have two cows  
you give your neighbor one.

**Communism** - If you have two cows  
you give them to the govern-  
ment, and the government gives  
you some milk.

**Fascism** - If you have two cows  
you keep the cows and give the  
milk to the government; then  
the government sells you some  
of the milk.

**Nazism** - If you have two cows the  
government shoots you and keeps  
the cows.

**Capitalism** - If you have two cows  
you sell one and buy a bull.

Aren't we proud of Eugenia  
Moore's good fortune at Southern  
Oregon College of Education, of  
her being elected secretary of as-  
sociated women's students?

Why didn't the girls have their  
voices recorded, Saturday, at the  
Curry County Electric Co? Gee,  
but the boys had their's put "on  
record."

Mr. and Mrs. E. L. Miller left  
Sunday for Eastern Oregon to  
hunt deer the remainder of deer  
season and also to hunt during  
the first of the elk season.
