 "Probation after Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 27.
 The Golden Text was, "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love Him" James 1:12).
 Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Be ye therefore perfect, even as your Father which is in heaven is perfect" (Matt. 5:48).
 The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The divine demand, 'Be ye therefore perfect' is scientific, and the human footsteps leading to perfection are indispensable. Individuals are consistent who, watching and praying, can run and not be weary; walk, and not faint, who gain good rapidly and hold their position, or attain slowly and yield not to discouragement. God requires perfection, but not until the battle between Spirit and flesh is fought and the victory won" (p. 254).
