

### Missionary Billed Friday Evening

Brookings seldom enjoys such an evening as the one anticipated for Friday evening, Dec. 6, at 7:30 p. m. at the Baptist community church. There will be a discussion of the work of missionaries whose special gifts are informing Americans on the present and former status of Christians in Japan. Miss Allen, former missionary in Japan, who is returning soon, will speak on her work, as well as the Christian experiences of many Americans under the Japanese government. The legal status of Christian workers will be explained. There will be opportunity to ask questions.

President of the Oregon Women's Baptist Missionary Society, Mrs. Vern Smith, with two helpers will be heard. At 6:30, hour just previous, the local church's Woman's Circle will serve a pot luck dinner. Each is asked to bring a hot dish, a salad, or a dessert for each of the family, and to come out to enjoy the evening.

Lyle Redfield Jr. was a Thanksgiving and week-end visitor of his mother, at Dayton, Ore. He returned earlier this week.

Among the citation which will comprise the Lesson-Sermon will be the following from the Bible: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).

The Lesson-Sermon also includes the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Infinite Mind creates and governs all, from the mental molecule to infinity. This divine Principle of all expresses Science and art throughout His creation, and the immortality of man and the universe. Creation is ever appearing, and must ever continue to appear from the nature of its inexhaustible source" (page 507).
