New Sound Adds To Show's Here

Show-goers of this area were delighted, last Thursday when they attended the Pine Cone Theatre, the first evening when the new projection equipment and screen had been installed.

Even though the sound equipment had not been installed at that time, all conversations on the screen were more distinct.

All pictures, through addition of this expensive equipment, are much better than people had even hoped.

Mr. Kemp, in commenting on his new installations, said: "I can see no reason why people of this area aren't entitled to the best possible to get. I did just about the best I could do in way of obtaining the equipment."

Mr. and Mrs. O. M. Nelson and

Mrs. Bertha Halladay from Eugene who have been visiting relatives in Safford and Phoenix, Arizona, and Los Angeles, Calif. arrived in Smith River, Saturday to visit Mr. and Mrs. Arch Bingham enroute home.

Mr. and Mrs. Charles Grayshel returned Sunday evening from Coos Bay where they had attended the mid-winter meeting of the Oregon Coast Association. Mr. Grayshel is Curry county vice-president of the association.

\$50 REWARD

is offered by the Brookings-Harbor Chamber of Commerce for information leading to arrest and conviction of anyone found dumping garbage illegally on private or public property in this area.
