

Steelhead Derby Planned Sunday For Young Fellas

Members of Chetco Rod & Gun Club are staging their second annual boys steelhead contest and this Sunday, it was announced Monday by Bob Perkins, president.

Members are invited boys as they are to enjoy a day of steelhead fishing and a picnic with friends and events to start at 10 a. m. at the Crissey property, on the state line.

All gun club members are asked to participate in this event, which will begin by fishing either the Chetco or Winchuck for steelhead in the morning, then gathering of the clan for a picnic lunch at 12. Vic Reynolds promises a swell feed and Berger has some games and contests lined up with numerous prizes to be awarded to the boys.

Last year Jackie Johnson won top honors with his steelhead of over eight pounds, and was given a fly rod as first prize. This year the weighing in of fish will take place at six p. m.

With such beautiful, unspoiled streams at the front door, ready and willing to provide thrilling, healthful sport to old and young the rich and poor alike will have a chance to compete as well as to enjoy fishing, the most popular sport in America today.

Editor, Pilot: The "Growers' School" on which we sent you material, will be postponed until Rose Festival time. Many greenhouse operators who wanted the opportunity afforded by this fine

collection of talent, found that they could not leave their greenhouses in the heart of winter and have advised that it be postponed. Deposits are being returned.

W. A. Hanson, director.

Dear Friend: I find I am not receiving the Brookings-Harbor Pilot. I would like to subscribe immediately. Please start sending the paper to me at 1631 House Office Building, Washington, D. C., and send me the bill. Sincerely Harris Elsworth.

Next time you travel, let the engineer do the driving for a change. Our lowest fares for chair car and coach accommodations are good on most of our very fastest trains.
