Howdy, Folks: Do you hear your Uncle calling you—for your income tax? Don't take it too hard. It may cost you a lot of money, but think how it develops your brain.

If it were only as easy for the people to raise taxes as it is Congress.

Two things are certain, death and taxes, but death doesn't get worse every time congress meets.

Nowadays the earth revolves around its taxes.

An amusement tax isn't always a laughing matter.

When it comes time for the meek to inherit the earth taxes will be so high they won't want it.

To reduce your taxes, get a lotta dependents. However, for some the taxes may be the less expensive.

We won't tax you as much as you think to buy our Gas and Air. We pump the gas and peddle the air.

It's still a mighty good value. Let us tell you more about it, and the S. & H. Green Stamps we pay you to buy here.

We'd like to take this opportunity to congratulate the Haggerty Twinservice, upon their opening, Saturday. It's wonderful to have such swell guys as our competitors.
