

County Women Will Learn Of Frozen Foods

Meetings Planned For Three Places In Co. Early In May

GOLD BEACH—Proper preparation of food for cold storage was selected for demonstrations by home economics specialists of Oregon State College, according to Mrs. Fred Adams, who was elected last Friday as general chairman of the county-wide committee. These demonstrations are scheduled for May 6, at Harbor Grange Hall, May 7 at Gold Beach community hall, and May 8 at Sixes Grange. Each demonstration is scheduled to start at 10:30 a. m. with a pot luck dinner at noon.

All three demonstrations will include preparation of food for the frozen locker (fruit, vegetables, meat), some discussion of how to use frozen food (especially to include those who buy commercially frozen foods) and a little about home built frozen food lockers, with blue-prints.

Mrs. Wayne Thomas, Port Orford, acted as secretary for the planning group. Committee chair-planning group. The Community chairmen were selected to re-organize the demonstrations. Included are: Mrs. Ruth Bathiany of Harbor, Mrs. Bert Hudkins of Gold Beach, and Docia Sweet of Sixes. Frances Clinton, assist-

Community Hall Issue Will Be Topic Of Discussion Soon

Club Feels Something Should Be Done On Long-Felt Need

In order to get all interested people, organizations and proponents together to come to some decision about a community hall for this area, the Chetco Rod & Gun club, Tuesday voted to rent the Grange hall, furnish refreshments that such a meeting may be held.

All organizations of the area, as well as any interested in the movement is invited to the meeting, set for Thursday, March 20, at the Harbor Grange. The discussion will begin soon after 8 p. m., said Bob Perkins, president.

Obligate New Members
At the Tuesday meeting, a number of new members were obligated into the club, including: Art Benson, Henry Leming, Jas. Fifield, M. E. Dixon, Earl Temp-lar, Robert C. Cox, E. A. Stor-set and Leonard Harvey.

Will Buy Clock and Timer
Ready for next fall will be the electric clock and scoreboard at the high school gym, it was voted at the meeting, Tuesday.

LST Drifts Ashore Here, on Monday

An LST, or landing barge of some sort, drifted ashore here Monday morning, and was pulled up and taken to his home by Arthur Crook, county commissioner, who notified the coast guard of the find.

Just where this barge came from is a mystery as yet, until the coast guard reveals this information. It was, however, in pretty much of a battered condition, resembling what might be the general appearance after a landing during the war on some Pacific Island.

However, the barge contained a diesel engine, apparently in excellent condition, together with considerable gear used on such type boats.

Speculation is making the community rounds whether this boat finally drifted ashore here after a landing some years ago, or was being towed from one point to another recently, and broke loose from the towing ship.

Mr. and Mrs. Mark Wood are planning an extended trip to California where they will visit friends and relatives.

W. H. Hibbard left Tuesday for Eugene on business.
