Mrs. Carl Berger offers her favorite recipe for this week:

- 1/4 cup shortening.
- Grated rind of one orange.
- 3 eggs, unbeaten.
- 3 teaspoons baking powder.
- 2 tablespoons lemon juice.
- 2/3 teaspoon salt.
- 1 1/2 cups sugar.
- 3 cups sifted flour (cake flour preferred).
- Juice of one orange.
- Water.

1 cup cocoanut, rubbed with grated rind of one orange. Combine shortening, salt and grated orange rind, add sugar gradually and cream until light and fluffy. Add eggs, one at a time, beating thoroughly, after each addition.

Sift flour and baking powder together three times. Combine orange juice and lemon juice and add water to make one cup. Add small amounts of flour to creamy mixture, alternately with combined fruit juices and water, beating after each addition until smooth.

Pour batter into two deep, 9-inch pans, greased. Bake in moderately hot oven (375 degrees Fahrenheit) 25 to 30 minutes. Spread frosting between layers and on top and sides of cake. Sprinkle cake with orange-flavored cocoanut while frosting is soft.

Cub Scout Doings

Den No. 1. Our den, to date, has had excellent attendance each week. Gerald Hendricks, Gary Payne and Gael Ettinger have been doing a fine job of collecting items of all kinds for the food box drive. I hope all my cubs' parents are as happy in having their boy as a cub as I am a den mother, am to have them as my cubs. — Mrs. Widney, den mother.

Den No. 2. Our denner, David Jasman, has moved away so we have chosen Kenneth McDendald as our new denner. We have a new cub, Glen Stuart of Brookings. We still need two more boys to fill our den, however. — Mrs. Spangler, den mother.

Den No. 3. We had 100% at-

tendance last week and hope it will continue. The boys are getting ready for a big month in April. We surprised our cubmaster with lots of things for the food box drive. Jimmy Taylor and Dicky Nelson are seeing results from the gardens they planted. — Mrs. Taylor, den mother.

Don't be surprised if the cubs start acting and living like Robinson Crusoe, for that is their theme for April. Some strange things may develop from this. The dens plan to hold some of their weekly meetings in Azalea park on nice days. This will give the cubs a chance to blow off more steam and have outdoor games. — George Widney, Cub Master.
