Luke 14 Tells Us Easter "Story"

The story of Easter, sacred in the Christian religion, being observed this week, and Sunday all over the world, is told in the 14th chapter of St. Luke:

Now upon the first day of the week, very early in the morning, they came unto the sepulchre, bringing spices which they had prepared, and certain others with them.

And they found the stone rolled away from the sepulchre.

And they entered in, and found not the body of the Lord Jesus.

And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments:

And as they were afraid, and bowed down their faces to the earth, they said unto them, Why seek ye the living among the dead?

He is not here, but is risen: remember how he spake unto you when he was yet in Galilee,

Saying, The Son of man must be delivered into the hands of sinful men and be crucified, and the third day rise again.

And they remembered his words,

And returned from the sepulchre, and told all these things unto the eleven, and to all the rest.
