Your message, through these classified columns, reaches more than a thousand subscribers each week. Allowing four readers to each copy, nearly 5000 readers will see what you have to offer. The Pilot reaches more readers in this area than other newspaper—try and find out.

To reach people interested in this area, there is but one advertising medium. Over 1000 issues reach homes in this and adjacent vicinities each week, to say nothing of those being sent to the east, south, and north. Pilot advertising pays, and pays well—just ask anyone who uses that medium.

\$50 REWARD

is offered by the Brookings-Harbor Chamber of Commerce for information leading to arrest and conviction of anyone found dumping garbage illegally on private or public property in this area.
