Westerly Club Here Has 2 Unique Functions

West Westerly Club United States; In Incorporated Town

Organization of a Rotary club Brookings, which was completed last Saturday when application was made for a charter, set out two unique features the local club can boast. It is the only un-incorporated town in the United States to have application in for a charter and furthermore, if it is granted a charter it will be the westerly club in the United States. The North Bend-Coos Bay which sponsors the local club will be the club from which the westerly title of best westerly club.

Directors were named for the club at luncheon last Saturday, and consist of: President—Pete J. Hendricks, Pete J. Wiedeman, R. Vincent and Dewey Akers. The board elected officers: president—Dewey Akers, secretary—Roy Wiedeman, treasurer—Harry Akers.

Direct-at-arms—B. J. Gould, in addition to officers and members of the board of directors, whose names appear on the charter roll, are: Thor Ask, Stanley Patter, F. Ackley, T. S. Abbott, Chambers, John Ginther, Lucas, Dr. A. O. Schmitt, L. Stevenson, V. A. Men, Sr., Lloyd Stefani, Homer, Herb Mason, Gene F. and Homer Kessler.

At Noon Tuesdays luncheons, it was decided by the club, will be Tuesday (12:10) at Vincent's room. This date showed conflict with the various

teams have signed up softball league for this High School, Rod & Gun and Veterans of Foreign All interested, especially Rotarians, will meet at Pete's office in the Central Friday evening, at 8:00 of completing plans league.

Hero Son's Bugle Was Given to Scout Troop

A bugle, one used by his son who many years ago was a Boy Scout, was presented to the local Boy Scout troop by Roy Hendry, local florist, who also offered to teach a boy the art of bugling in addition.

This bugle belonged to Capt. Hendry, who was taken prisoner at Bataan, and who was lost aboard the ill-fated prisoner ship which the navy sank while en route to Japan, early in the war.

Harbor Womens Club Holds Meet.

The April meeting of Harbor Community club was held Friday afternoon with Mrs. Hazel Hendry, vice-president, in charge of the meeting.

The library committee reported it had been offered and had accepted a room on the upper floor of the Central building for the community library, and stated it had been fortunate in obtaining this location. There is a need for the loan of book cases for present time until money can be raised to construct some, and a number were offered for use.

Final arrangements were made for the May Day tea to be held Thursday afternoon following the music festival at the school, and it is hoped that a large crowd will attend, as the money so raised will go toward the library fund. A program is planned, and is said to be well worth attending, Thursday.

No Requests Now For APO Parcels

According to the latest postal bulletin, out the first of the week, after May 1, it will no longer be necessary to have a request to send a package overseas to a soldier with an APO address.

The regular limits of 70 pounds in weight and 100 inches in girth and length for the packages, and the limit of 8 ounces for air mail, are still in force for overseas personnel, whose APOs are in care of either San Francisco or New York.

The boys overseas write that there is really very little that they need that they can't buy over there, but, of course, some of mother's cookies, or cake, as well as the home town paper, are always in demand.

Newlyweds Feted At I. O. O. F. Party

Members of Chetco Lodge, No. 249, I. O. O. F., were hosts to a large group recently when they entertained in honor of five recently-married couples, of which one or both belong to the Odd Fellow or Rebekah lodges.

Couples present for the evening included Mr. and Mrs. Charles Hassett, Mr. and Mrs. Val Mendenhall Jr. Mr. and Mrs. William Bart, and the two couple un-

Community Center Is Much Alive Building Hope

Plans Will Be On Display; Contributions Will Be Asked Soon

With George Funk reporting to a member of the community center committee that he would furnish logs necessary for all the lumber needed in the building, hope rose to a new height for realization of the community center building. Those attending a meeting last Thursday at the Harbor Grange hall, went away much encouraged that something tangible could be reported soon.

Col. Harry Lockland, retired architect, had preliminary plans at the meeting, showing the completed structure which would include, besides a big hall, several club rooms, dining room facilities, swimming pool and bowling alleys, and other amusement facilities for the youth and older people.

With Funk's offer, it is expected that the various mills of the vicinity will donate sawing of this lumber. Other donations in way of myrtlewood, and such other trim stock, have been made.

When all these offers have been segregated and posted, donations of money will be expected from every citizen in the community. Those who would donate labor would find ready acceptance since the community must have this building at the least possible expense to anyone.

Building Needed In Area

Long have people of the area realized the need for such a building, and with the news that everything points to a possible realization, it is expected that many people will be glad to aid in every way possible, besides monetary contributions. The site, if plans go through, will be just across the road from the entrance, of Azalea Park, on land which Henry Rosaker offers to donate his share. He has promised to try to persuade his brothers in giving their share also.

Rebekahs Make Nominations, Tue.

Topaz Rebekah lodge met on Tuesday in regular session. The first nomination of officers was held. Mrs. Manilla Hassett was elected to receive the degree of Chivalry for her outstanding work in the lodge.

A memorial service in memory of the five founders of the order was conducted by Mercedes Phillips and Mina Christensen as an appropriate observance of the anniversary of the founding of Odd Fellowship, which fell on April 26. Following the meeting a social hour was enjoyed with refreshments of ice cream, and cookies being service by Annis Waldien and Nellie Rodehaver.

able to attend were Mr. and Mrs. Virgil Wolfe and Mr. and Mrs. Vern Ireton. Dancing and refreshments were enjoyed.

New Time Schedule Conflict Relieved By

To prevent more conflict, the grade school music festival will begin promptly at 1 p. m. today at the high school, in order that people may also attend the Harbor Community Club tea which will be held from three to five at the Grange hall.

The foregoing was a statement to the Pilot, Monday, by L. D. Horner, principal.

Indian Heirs Met Sunday Afternoon

Curry County Indian Heirs, association met Sunday afternoon at the Harbor Grange hall, with the session being opened by the chairman, John VanPelt, after which it was conducted by vice-chairman, Sam Lopez.

The report of delegates who attended the meeting at Siletz the previous Sunday was heard. These delegates had obtained a great amount of information on their trip, and it was voted that two of them attend the meeting to be held at Siletz May 25.

The chairman appointed a committee of five to draft a constitution and by-laws which to be presented at the next meeting.

It was decided to hold the next meeting on June 8, at 1 o'clock, at the Grange hall.

Twenty-two new members affiliated with the association during the afternoon, with a total now of 64, including a four-man delegation from Siletz.

Brookings Swears In Police Officer

The police committee, of the chamber of commerce, Tuesday, completed all arrangements for police of the business section of Brookings, and Robert H. Cox was deputized to serve in that capacity for the time being.

Mr. Cox was sworn in by Sheriff R. G. Sabin, and took up his duties that evening.

While the business section of town will be patrolled during the night, there will be no protection outside the business area, unless arrangements will be made by residents of the town.

"Spot Dance" Set By Grange, Sat.

A "spot dance," with all the name may imply, will be the feature attraction at Harbor Grange Saturday night.

According to the committee, the floor will be "spotted" and when the music stops, couples found on certain spots will be required to pay a penalty, or receive a prize, whichever the spot represents.

According to several people of the area, these spot dances are "the most fun." Announcement of the forthcoming dance will be of special interest.

For your every insurance need, see Pete at Lesmeister Agency.

Queen Selection Ball Billed For Saturday, May 10

Large Crowd Expected Here From Towns Sending Princesses

With Gurla Murphy of Port Orford, Betty Storm of Langlois, Voula Manosar of Crescent City, Velma Bowers of Gold Beach, Frances Miller of Ophir and June Hassett, Merlie Baumgartner and Joan McDonald of Brookings competing for the coveted role of Azalea Festival queen, a great deal of interest is being manifested over the forthcoming Queen Selection Ball, billed for May 10 at the Harbor Grange.

The selection of the queen will be made by a secret committee, members of which are not known even to the Festival Association. A girl will be judged by all her qualifications, including her high school scholastic standing, her bearing, and ability to speak for a minute or so before the crowd.

The girl winning this honor, will be given her gown and other items of clothing which are necessary at such an occasion. The princesses, likewise, will be given their gowns of pastel shades.

Events which the queen may look forward to are attending such affairs as Taft Red Head celebration, Coos Bay Regatta, and probably others over the state.

Advance Ticket Sale Pushed

Since funds derived from this affair, and the queen's ball the evening of the festival, are necessary for success of the festival, everyone in this community is urged to buy a ticket, even if they do not plan to attend the affair.

County-Wide Interest Expected

Since the princesses come from other county towns, much interest in the ball is expected from those centers.

People who saw the court in Brookings recently, when all assembled for their pictures, aver that nowhere could a court of eight girls be picked which would make the job of judging much more difficult. Certainly the girl who wins the coveted queen's appointment will have plenty of competition, and will deserve the honor, without doubt.

Mrs. Edith Newton will review the "History of Gardening" by Richardson Wright, at the May meeting of Azalea Garden club, Thursday, May 8. The program promises to be of unusual interest. Mrs. Newton has appeared on other garden club programs with this theme, and the state federation of Garden Clubs has her program in files for use before garden clubs of the state. "The Woman's Place in Gardening" from the beginning of civilization to modern times, will be traced. Mrs. Gilbert Christensen will give several violin selections during the afternoon. Women of other communities are invited to attend. Hostesses will be Mrs. Ethel Olsen, Mrs. Margaret Tisdale and Mrs. Velma Kessler.
