"Faithful In My Fashion"

Pierce-Redfield Wedding Held, Sat.

Miss Ethel Louise, daughter of Mr. and Mrs. A. F. Pierce, became the bride of Don C. Redfield, son of Llye Redfield Sr. and Mrs. J. W. Vernon, Saturday, at 3 p. m., at the Community Baptist church, with Rev. E. C. Hicks, pastor of the Smith River Methodist church, officiating.

Before the double ring ceremony, Miss Eugenia Moore, wearing orchid marquisette and dark red roses, sang "Because" and Miss Betti Goldizen, wearing pink marquisette, with blue pansies and pink carnations for her corsage, sang "At Dawning." Mrs. Stanley Patterson accompanied them on the piano and also played the wedding march.

The bridal party proceeded down the aisle under an archway of white. Wild flowers decorated the altar, with rhododendron in large blue baskets, predominating.

Miss Betty June Sears of Orland, Calif., was maid of honor. She wore blue marquisette with blue delphinium and pink carnations as her corsage. Cousin of the bride, Ralph Leverett was flower boy. Newton Roe was best man and Conner Kessler and Jim Carson were ushers.

The bride wore a white satin gown and train with an embroidered finger-tip length veil, which was gathered on a band of pearls and topped with white rosebuds. She carried a white Bible with Easter and Calla lilies for her bouquet.

Mrs. Pierce chose for her daughter's wedding a gray suit with white accessories and wore a yellow corsage. Mrs. Vernon, groom's mother, wore a navy blue suit with yellow corsage.

At the reception, held in the church basement, Mrs. Emil Moore and Mrs. W. G. Hoagland served the punch and Mrs. Clifford Lindsoug and Mrs. Claude Goldizen served cake. Mrs. Cyril Sears, Orland, Calif., was in charge of gifts.

Mr. and Mrs. Redfield left immediately following the reception for Klamath Falls where they will make their home.

"Crab Stand" Due To Open Friday

Lyle Dill, who is connected with two young veterans living at Crescent City, will open up

a "crab stand" on the site of the old St. George Hotel, in the west end of Main Street, across from the old mess hall.

In placing his advertising, Mr. Dill said he hoped to have a 7-day a week supply, especially during the tourist season.

These young men at Crescent City have 750 pots which will be set at sea off the shore at Crescent City and toward Brookings.

In addition to supply local tourist trade, and the local demands, Mr. Dill hopes to be able to supply any or all restaurants all necessary crab for their trade.

Local News Items

A show, so new that releases have not been given, depicting the atomic bomb and age, will be shown at the Pine Cone, on Sunday and Monday. To give a review would be impossible, since none are available, but Norris Kemp assures everyone that a surprise is in store.

For convenience of his patrons Saturday who have young folks who might prefer the show, a 2 p. m. matinee will be extended to serve the public. The list of shows may be seen elsewhere in this issue.
