

### Mall Saws Dropped \$100 In Price Cut

W. J. Baines, local Mall Chain Saw Company dealer, on his return from Eugene Monday, announced a meeting of all distributors of the company came up with some startling news for all prospective buyers that a new Mall saw, weighing 20 pounds lighter and costing \$100 less, is now on the market, and one will be on display locally as soon as shipment can be made here.

The \$100 drop is effective on all saws, beginning Monday. According to Mr. Baines, the Mall Saw Co. has made some revolutionary changes in their new saws, and all loggers will be glad to see the performance of this new product.

Howdy, Folks: Our Missus says that ignorance is when you don't know something and somebody finds it out.

We still believe that ignorance is bliss. That's why why we refuse to take an intelligence test.

Of course, every one is ignorant, only on different subjects.

Human intelligence is said to be millions of years old, but it surely doesn't act its age.

The question, isn't as often debated, where civilization started, but when will it.

What this county needs is more intelligence and fewer intelligence tests.

When you need gas and air, hundreds of people right here in this area will tell you about our line and that it is the best buy on the market. Make us prove this.

We have batteries, tires, tubes, and some of that fly spray which is loaded with DDT. Drop in to see just what we do have.
