Howdy, Folks: Living will be returning to normal with children back in school Sept. 29, and college kids back to dear old alma mater.

Of course you know what a college is. That's a fountain of knowledge who many go to drink.

Nowadays, college courses not only include Greek but a little Scotch.

Dad may not be able to estimate the value of college courses, but many of them can tell you the cost.

Some wag has said that a college graduate is one who starts at the bottom and wakes up.

At the finish of the course a bar examination might be a test to see how much the college student can hold.

We are making and holding customers with our Gas and Air. Don't overlook this, next time you are in the market.

We have batteries, tires, tubes, and some of that fly spray which is loaded with DDT. Drop in to see just what we do have.
