

### A Activities For Season

First meeting of the fall local unit of the Parent-Teachers Association, called for an evening at the school, presided by several out-of-town speakers, who offered suggestions toward advancement of the local schools.

Aldene Roberts, county demonstration agent and a member of the state extension were present in interest in publishing 4-H clubs in this county.

Herschel Obye, of Grants member of the school board in place, and past district president of P.T. A., spoke on the effect of the new county board. She introduced her successor to that office, Mrs. Pool Ford, and Mrs. Payne, also past district music chairman, who presided at all meetings, as well as in all service clubs. After talking on all matters of interest to school, as well as through the Parent and Teachers Association, answered questions of the present.

Reception, Friday night, fifty people turned out to welcome the faculty at a reception by the local unit of Parent-Teachers Association. Informal refreshments of coffee and

all activities of Azalea Garden Club is off the press at the Pilot and will be ready for distribution to members at the next meeting, set for November 13, when Mr. and Mrs. W. C. Stanley, editors of the Chrysanthemum Bulletin of Portland will speak.

These yearbooks, planned by a committee headed by Mrs. Mabel Maris and assisted by Ethel Moos and Lucius Axford, contain such information as will be used and needed by members for the club year. Provisions were made to have pages for notes, thus making these yearbooks more desirable by all members.

The committee is seeking a higher prize this year, having won second last year. To achieve this, the cover, after having been printed, were hand-tinted to give the azaleas color.

Oregon Sate Library, Salem, inspected the Brookings-Harbor library, sponsored and inaugurated early this year by Harbor Community club, and complimented this area for its organization and book selection.

The library is steadily growing in number of books and circulation, due to the donations of many citizens of the area, and interest of the people.

According to the state librarian's report, the library was well organized by Mary Cavitt. Miss Cavitt is now employed at Eureka library.

With almost a half thousand books of its own, the local library draws heavily upon the state library for book loans. Weekly more and more donations come to the library, so that the present circulation has reached a point even beyond the hopes of the Community club.

Noteworthy is the interest of
