REPORTS DUE NOW!

All who wish to take advantage of the chain store offer for fives to sevens should get their report to Mrs. Stafford before Monday, Dec. 8. At that time a report will be finished and sent in so that the chain stores may know how to order.

Be sure boxes are clean, dry and in a well-aired place. That they are uniformly packed in multiples of fives, bulbs are not sprouted, boxes labeled on each end, and that you have signed up for the correct number.

Report all other sizes on hand to sell at the same time and in the same way. An effort is being made by Brown Bros. Farms and others to do all they can. Some substantial orders have been received, although details cannot be published as yet. This is a chance to retrieve a few of your dollars and work. — May T. Stafford.
