

Enjoy the train California

Enjoy the comfort
and safety, only
the train gives you

In winter, more than ever,
we appreciate the safety,
comfort and dependability that
trains, alone, provide. On steel
tracks, on their own private
right of way, trains go through
regardless of the weather.
But that is not all. By train
you can relax in cushioned
comfort. There's plenty of room
to move around. You can
read, write, play cards or
game. Washrooms and a dining
car are conveniently near. You
can eat when hungry, sleep
when sleepy, drink when thirsty
and enjoy yourself all the time.
So next time you plan a trip,
try Southern Pacific. It's the
most sensible way to travel... and
the rates are very low.

Crescent City Fives Dumped 2nd Time

In their return games, Saturday evening, Brookings Bruins dumped the hoop quints from Crescent City for the second time in as many weeks. On a smaller floor, the Bruins found themselves unable to match the scores they amassed at Crescent City.

Paced by Kinion, who dumped in 14 points, the B squad had little opposition from the visitors whom they dumped 48 to 24. Nielsen, of the visitors, scored nine to lead his team.

The game between the A teams was almost a repetition of the second stringers, when the local lads came out with a 41 to 18 victory. Del Norte, Doyle Rausch, with 11, and Tony Felipe with 10, paced the Bruins tally.
