

Azalea Garden Club To Present Caroling Group

Two splendid new musical groups have been formed in the Azalea Garden Club and will be presented Thursday (today) afternoon at the Christmas party at the Grange hall. This triple trio is the chorus group recently organized by Margaret Tisdale, who will lead the group in caroling.

The group will sing three familiar chords arranged with descants by composer Beatrice Purnham. These descants add a lilting obligato or counter melody to the Christmas songs, lending added freshness and

beauty to the popular melodies. Comprising the group are Mesdames Mackenzie, Waters, Judkins, Patterson, Helen Hanscam, Lamerne Christensen, Seymour, Tisdale, and Sommerville, accompanied by Mrs. Grace Edwardson.

From this group the Azalea instrumental trio was formed and includes: Mrs. Lucille Patterson, pianist; Lamerne Christensen, violinist and Betty Seymour, flutist.

Garden Club Plans Christmas "Fete"

A special meeting of Azalea Garden Club is called for next Thursday afternoon, Dec. 18th, to plan assistance for the volunteer firemen and the Christmas eve festive occasion for this area. Rain-proof ornaments will be planned and fashioned to dress the tree in traditional Christmas style. The place this year will be the same as last, in front of the Central Building.

Mrs. Louise Waters is in charge of the afternoon affair, and is consulting with Chief Ed Thornton of the fire department in planning the event.

Members of the Azalea Garden Club are asked to bring their prettiest Christmas swags and decorations, to serve as inspiration for others. Prizes will be awarded for originality, beauty and appropriateness.

These boys, it is reported, and whose names are being withheld because of their youth, promise to make amends for the damage. No action may be taken.

All are in grade school.
