

Christmas Treats Ready For "Tree"

With various organizations contributing toward the treats, and with the volunteer firemen and Azalea Garden Club caring for details, the annual Christmas tree, in front of the Central building next Wednesday eve, December 24, at 7:30.

A program, now being worked out by the garden club, will be presented before Santa makes his appearance to delight the youngsters of the area. More details concerning the program will be published next week in the Pilot, which will be out early for distribution before Christmas.

Do you eat enough eggs? They are high priced if you must buy them, but everyone should eat at least four eggs every week for their health's sake. This, however, includes those that are to be used in pies, cakes, etc., eaten by the family. Perhaps with the high cost of eggs it would be advisable to investigate the possibilities of a home poultry flock of about two dozen hens. If you are interested, you can obtain information on housing from the extension office, Gold Beach.

An item of interest: The Chinese Imperial cook book contains ninety volumes and weighs over 2000 pounds. It is said to be the largest cook book in the world. The abridged edition contains eighteen volumes. That's still quite a cook book, seems to me.

Birthday Party

Betti Goldizen celebrated her 17th birthday with a party on Saturday night for sixteen young people. Those invited were Marilyn Struebing, Bob Williamson, Ken Pierce, Ethel and Don Redfield, Juanita Kinion, Irene Rau, Darlene James, Ruth Hassett, Bob Church, Jim Carson, Bill Ellis, Verna Huntington, Leta Hassett, and Joan and Margaret Byrne.

The home was decorated with Christmas greens and mistletoe. The boys were outnumbered, but didn't seem to mind. Games were played and gifts were given as prizes. Refreshments of a beautifully decorated cake brought to Betti for a birthday gift by Bob Williamson, and ice cream, Christmas candies and cakes were served. Each guest took a candle from a cake baked by Mrs. Goldizen and made a wish for Betti.

The party was considered a huge success by all who attended.

Bulb News

Nothing new has developed on the chain store deal. Keep your bulbs from sprouting. If you have not yet packed your 5's and 6's, pack them separately from now on. The Committee will meet again after the holidays. The Brown Bulb Farm truck will call for half the bulbs they ordered collected, next Monday. The truck failed to call last week as expected.

Many thousands more bulbs have been ordered it is reported. Mr. Hunt, Chairman of the

Policy Committee was in the community last Friday, studying the bulb situation with others.

When planning next year's program for your lily business, you probably will be glad to know that one dealer writes that bulbs offered this year promiscuously at 4c will have considerable bearing on next year's sales. While many small growers are quitting, some very large growers are just starting, buying up cheap yearlings.

Power Off

Some time during Tuesday night wind blew down the power pole near the school, throwing that entire section out of power for the morning. School was dismissed yesterday while workmen were replacing the line.

Power was off all over town for 15 minutes while the repaired line was being "cut in."

The Misses Willow and Isabel McKnight left recently for Al-

hambra, California where they plan to spend the winter months after caring for their lilies here.

Dr. and Mrs. F. M. Stump, Miss Lucy Miller, Mrs. Ruth Hathaway, Master Henry Hathaway,

Dr. Therdore Hann and David Hann of Crescent were dinner guests of Mrs. J. J. Gallagher last day evening at the Coffee Brookings.

INCOME TAX SERVICE

Starting January 3, at Hugh Gearin's Law office, Central Building, I will do Income Tax work on Mondays, Wednesdays and Fridays, from 10 to 5. Tuesdays and Thursdays I will be at my home, 2 miles south of Harbor on 101.
