The story of the various bells and these hand bells, was educational as well as interesting. A group of club members volunteered to assist Rev. Butler by ringing the various keyed hand bells and making sweet music.

Coach Guthrie was absent from his classes Monday and Tuesday morning due to the fact that he is speechless—some say due to the instructions he gives his team at the half. The real reason, however—a severe cold in the throat.

Mrs. Una Rowley substituted for Mrs. Hampton Monday, Tuesday and Wednesday of this week due to the severe illness of little Barbara Jean Hampton. Mrs. Rowley formerly taught at the Lafayette, Oregon high school.

Friday night of this week the Bruins and the Bruinettes play the Langlois team here at Brookings. The Bruins are now tied with Gold Beach and Ophir in the Curry county league. It is certain that they will do their best to take the game next Friday.

A wedding of interest to many friends was solemnized in Reno, Nevada last Friday, when Miss June Shrader, daughter of Mr. and Mrs. Guy Shrader of Harbor, became the bride of Cecil Hart of Brookings. # VETERANS! here are the opportunities you've been asking for

Thousands of Veterans of all the U. S. Armed Forces have said they'd like to join the Regular Army, IF they could have certain enlistment privileges. Today the Army has four attractive opportunities for Veterans of any of the U. S. Armed Forces to get into a well-paid job with lots of chance for advancement.

**SERVE** for 3 years with your choice of 8 famous combat units now stationed in the U. S. if you are a Veteran with overseas experience. Here's the opportunity to help build up the defense of the nation at home . . . to help train the new recruits who are joining the Army.

**RETURN** to an Army job in your old specialty, if you're a Veteran. If yours is one of the needed specialties, you can enlist in the grade appropriate to your training and experience. Veterans can also enlist for service in Europe, the Far East or Alaska.

**LEAD** your way into high-paid, high-ranking jobs through Army Potential Leaders' School, Army Technical Schools, Officer Candidate School or the U. S. Military Academy at West Point—open to every Army man who can meet the required mental, physical and age qualifications.

**CHOOSE** far-away places—Japan, Korea. Experience overseas gives your career a broad background. When you enlist, you may sign up for 3 years with your choice of 3 famous Far Eastern divisions. You earn 20% more pay when serving overseas—in addition to all other Army benefits.

Think this over, too: a Private First Class with his \$80 a month plus benefits—retirement plan, food, clothing, lodging, medical and dental care—has more net take-home pay than the average civilian who is paying for equal benefits.

CAREERS WITH A FUTURE  
**U. S. Army and U. S. Air Force**
