

SMITH RIVER

Spring Daffodil tea held 24 at Smith River Community hall was a big success. More than 300 were in attendance during the afternoon and evening, in spite of the downpour. Visitors registered, giving their addresses from Gold Brookings, Medford, Klamath Falls, New Mexico, Los Angeles and many from various parts of California and Oregon thronged the hall to view many beautiful varieties of daffodils which highlighted the

The stage setting of many beautiful varieties embedded in moss, making an informal garden scene complete with walk and pool. Shrubs and small trees were in the background. Mr. and Mrs. Forest Dunham and Mrs. Clair Brogan were in charge of this beautiful display arranged on the stage.

Many beautiful named varieties were attractively arranged in low containers with Mrs. Chester Maris in charge of arrangements, were sold from a large replica stand which featured a large garden umbrella. Committee in charge of cut flowers were Frances Westbrook, Grace Hight, Alyce Bolick and Henrietta Woodruff. Plants, bulbs and shrubs were sold during the afternoon with Zelna Maris, Stella Haight, Mary Pats Bailey assisted by others.

Continuous tea and sandwiches were served during the afternoon from two lace covered tables, centered with beautiful flower arrangements. Mrs. Eleanor Layman was chairman of refreshments committee. The many collections of wild flowers were embedded in moss and attractively arranged under the direction of Mrs. Howard Dunlap and Mrs. Nils Jepson. The sale of cut flowers and plants netted the club a neat sum which will be used by the Smith River women's club in support of the local library. Club president, Mrs. Ralph Luick thanks all who helped to make the affair a success.

Easter Sunrise services held at the ocean beach from 6:30 to 8:00 o'clock Sunday morning with more than 100 from Crescent City, Fort Dick and Smith River gathered around two huge bon fires on the beach for the early morning worship. The song service was under direction of Smith River and Guschu church choirs with Rev. E. C. Hicks conducting the Easter message.

Following the devotional service, breakfast was served on the

beach consisting of scrambled eggs, buns, donuts, coffee, cocoa and oranges. Much credit was given Asleford Lopez who made the large bon fires of drift wood. The junior group of Smith River and Guschu Sunday school gathered the wood on the beach for making the fires.

Mrs. Harold Horn and two children and Mrs. Mary Koerner and daughter of Klamath Falls have returned home after spending Easter Sunday visiting relatives here.

Betty Jane, little daughter of Mrs. Harold Horn of Klamath Falls was christened at an impressive ceremony by Rev. E. C. Hicks held at the morning service in the local church on Easter Sunday. Mrs. Mary Koerner was godmother for the little girl.

Mr. and Mrs. Martin Rice left Monday for their home in Portland after spending Easter weekend with their daughter and family, Mr. and Mrs. John Barnum. The Rices also visited his sister and father, Miss Elena Rice and O. M. Rice.

Mrs. Harry Christensen is driving the school bus and cooking at the school cafeteria this week substituting for Miss Betty

Hancock who is taking a vacation to visit her mother.

The Smith River Ladies Aid society are holding their annual spring food sale on Saturday afternoon at Community hall, with Mrs. Chester Crook as chairman. There will be plenty of food for sale including cakes, pies, chicken, meats and vegetables. Plan to attend this sale.

Uses For Tan Oak Studied At Tacoma

Through co-operation of Henry Kerr, the forest service sent a load of tan oak logs to the Buffelen Lumber & Manufacturing Co., Tacoma, for experimental peeling, some months ago.

This company is equipped and experienced in the manufacture of hardwood veneer. The company is equipped to either slice or peel the logs.

Assisting in this project is the forest service experiment station of Portland, trying to determine the feasibility of using tan oak in the manufacture of hardwood veneer.

NEVER STANDS IDLE

THE 4-WHEEL-DRIVE UNIVERSAL "JEEP" works all day, all year . . . in the field as a tractor . . . on or off the road for hauling and towing. Comfortable and easy to operate, it lets you stay on the job for hours without becoming exhausted. When work in the field is done, the "Jeep" is ready to tackle almost any other job—hauling produce, perhaps, towing a cattle trailer or helping out in scores of ways. As a mobile power unit, the "Jeep" with power take-off can operate virtually any piece of power-driven farm machinery. Come in and see the "Jeep" now.
