THERE SHOULD BE LESS SPEED

While the accident last Wednesday noon was not the result of speed, there are several of the young fellows of this area, the so-called "hot-rods" who now have reason to take their foot off the throttle about the area.

It seems that once many youths get behind the steering wheel of a car immediately they want to see "how much the old crate will produce" in way of miles. These young fellows do not realize that they are potential murderers just as much as if they were to get a revolver in each hand.

Just because state police are not available, and since there are no local law enforcement officers in the area, these same fellows seem to think they are being persecuted if people reprimand them for recklessness.

For sake of innocent people the Pilot wishes to make an appeal to these "hot-rods" to slow down to a walk when they drive past street crossings, or school children. Repetition of last Wednesday must never come to pass.

Winchuck Willie opines that he'd rather be a living coward than a dead hero, so he had his seat moved back in his automobile so that he couldn't push the throttle to the floorboard. He takes all day to go to Eureka, but he lives to tell about it.

**Disabled Vets May
Buy License Cheap**

With the fishing season near at hand, war veterans with disabilities of 25 percent or more are reminded of a state law that grants them fishing licenses for a cost of only 50 cents, the Oregon department of Veterans' affairs announces.

Application is made to the Oregon State Game commission, 1634 S. W. Alder, Portland, and should be accompanied with a statement from the Veterans administration as to the percentage of the veteran's disability. Application blanks may be obtained at any county court house.

The same law—Chapter 270, O.L. 1943—also provides hunting licenses to disabled veterans for 50 cents, or a combination hunting-fishing license for one dollar. The regular resident fee is \$3.00 for either a fishing or hunting license, or \$5.00 for the combination. All persons this year must pay an additional 50 cents for a deer tag.

The veteran must have been a resident of Oregon for one year immediately preceding his application for the license.

The trout fishing season this year in Oregon starts May 1 and ends Sept. 30.

Also eligible for the reduced license rates are those who have been Oregon residents for 60 years, or for 10 years if they are aged 65 or more provided they are financially unable to pay the regular fee.
