

Local News Items

Although the Red Cross drive closed April 10th, it is hoped that many of the people that forgot to give their contributions to this important fund will do so right away so that this end of the county can make a better showing than it has so far.

The committees appointed by the Harbor Community club to have charge of the May Day tea are completing their plans for the affair and confidently look for a large crowd to attend. The funds raised at that time will be used to support the Chetco Community Library which is sponsored by the club.

Mr. and Mrs. Otto Johnson of Port Orford are houseguests at the A. C. Thompson home for a few weeks.

This is the last week of registering if you care to vote in the primary election in May and haven't voted at the last presidential election. To date the registrations have been unusually heavy, but any that still desire to register must do so by the middle of next week. In Brookings, register at Moore's Variety Store, in Harbor at the Post Office.

Guy Shrader, who is in charge of the monthly check count of traffic for the state Highway commission reports that the count taken last week during one of our good storms, was the lightest ever taken here. It is understandable as at that time there was snow on the higher reaches of the road, and the stormy weather kept people from travelling unless they had to.

Mrs. Evelyn Essley as taken back to Seaside hospital as she became ill after being brought home with her infant daughter. It is reported that she will have to remain there for an indefinite period, as an operation may be necessary.

The entire Harbor community was shocked by the death of Mrs. Mary Van Pelt at Portland, Saturday. Mary as she was affectionately known by her legion of friends, will be missed by all who knew her. She was a charter member of Chetco Grange, a member of Topaz Rebekah lodge and of Harbor Community club, and took an active part in all of these organizations. There are few people that it can be said that no one had ever said a spoken bad word about, but Mary be-

longed to this small group. Mary, you are going to be missed by all your many friends.

Mr. and Mrs. John DeYoung married Saturday at Coos Bay visited relatives on their way to Long Beach where they will make their future home. Those visited here were Mr. and Mrs. C. A. Page, Mr. and Mrs. Wilson Freeman and Mr. and Mrs. R. L. Williams. The bride is Mr. Page's sister.

Did you ever help plan a "First Annual—anything"? If so, you know how we are working and worrying over Curry county's First Annual Homemaker's Day which will be held Friday, April 23 in Gold Beach. Homemaker's Day is the day when Home Extension unit members from all of the county meet together to become better acquainted and to exhibit their accomplishments. Each of the six units of the county will put up an exhibit of some part of the work done this year. Mrs. Mack and Miss Taskrud of Oregon State College will each have a part in the program.

Every Thursday evening, I. O. O. F. meets at the Odd Fellows Hall. Visiting Odd Fellows are welcomed.

There will also be special music and skits from various units. The noon luncheon will be served by the Ophir ladies. Any profits go to the building fund to help finance Ophir's new Grange Hall. Tickets for the luncheon may be purchased at the Extension office, or from any member of the County Council. Council members are: Helen Fain, Langlois; Docia Sweet, Sixes; Norma Thomas, Port Orford; Mabel Adam, Ophir; Alma Russell, Gold Beach; Martha Harbin, Brookings; and Ruth Bathiany, Harbor. Be sure to get your luncheon ticket by Monday, April 19 so the Ophir ladies will know how many plates to plan.

You are urged to attend the Olde Tyme Dance being held on Friday, April 18. Sponsors of this affair claim this is not to be the run-of-the-mill type of event, but

has been planned for fun. An advertisement of the appears elsewhere in this

Get the Facts and You'll Get a 'Jeep'

The Universal "Jeep" does more jobs, at less cost per job, than any other farm vehicle. It is more versatile, more comfortable, safer and easier to operate. Let us prove that—in a demonstration on your farm, using your equipment.

WINTER DRIVING. The "Jeep" has traction for getting through deep drifts or sudden thaws . . . it gets around over soft, muddy ground . . . breaks a path for other vehicles. With snow plow attached, it quickly clears driveways or barnyards.

TO MARKET AND BACK. The "Jeep" works the year around as tow truck or pick-up—hauling livestock or produce to market and bringing supplies back to the farm. Snow-clogged, ice-glazed or muddy roads are no problem.

FARM CHORES. Grinding feed is just one of the many winter chores made easier with the Universal "Jeep". Its power-take-off operates all kinds of belt-driven farm equipment.

Dentistry

In Denture Work, the strong and Beautiful ACRYLIC plate is superior to any denture ever made.

DR. J. E. STEVENSON
Central Building
Brookings, Oregon

Your plate may be worn home the same day the same day teeth are extracted. An old denture can often be re-made at a less expense. No appointment needed for out-of-town patients.
