IT SEEMS TO ME:

By Dewey

I notice in the Curry County Fair premium list, a whole section devoted to prizes for 4-H club members, thus putting an incentive before the youth to compete in their respective lines against youth of other areas of the county. Without this competition, the big value of 4-H club would be incomplete.

American way of life is built up on the competitive spirit point of view. It encourages better and better work, regardless of the line of endeavor. I have, in the past few years, attended several of these 4-H shows, and let me assure you that they were on a par with adult showings.

Incentive for prizes in 4-H exhibits include trips to the state fair, together with the exhibit. To any you this is quite an incentive—wish that I could have had such an opportunity in my youth. Had this been true, my life might have been connected with the farm where I was born, in eastern Washington.

Heading this 4-H work in this county are two people whom I believe competent, and certainly wholeheartedly in favor of the movement. These two certainly deserve more credit than they are getting. Last spring they appeared to every group in this vicinity to aid them. The response was gratifying.

Four children went from this vicinity to Corvallis to attend

summer school. Two won recognition in competition with all who attended summer school—and this is no small feat. 4-H club work does something for the youth that can't be found in any other endeavor. It takes children in those formative years, encourages them to accomplish something constructive.

This training, whether the lad or lass follows it, means much in their later years. It teaches, first of all, to work with others in any project. It also teaches the youth to give better service and effort to the task at hand. There is no end to the benefits which the you may derive.

Closer unity among residents along Hwy 101 may result from the revelation made by Messrs Peirce, Frazier and VanPelt in last issue of the Pilot, when they learned first hand how traffic was being diverted from 101 over 199 and 99 toward Portland.

Since that article appeared in these columns, several membership applications have been made with Oregon Coast Association, which organization has not only helped Crescent City, but has not shown any favoritism in sending tourist travel southward. Such action on part of Crescent City service station operators will be of little benefit to them, for it's a game that more than one may play.

Reason for this diversion of traffic is something people along Hwy 101 cannot understand. If there had been any foundation for these vicious rumors and tales there would have never been a protest registered. Tourists who travel Hwy 101 want to see the ocean, and cities along the coast or they would never have come this way.

Crescent City, service station operators must remember, is in no position to be too choosy over traffic. They, like everyone else, must look heavily toward tourist travel to keep several industries alive in that vicinity.

QUESTION: What does the Scripture define the character of

God to be? Answer: "God is Love." I John 4:8.

QUESTION: How much does God love the world? Answer: "God so loved the world, that he gave his only begotten son, that whosoever believeth in him should not perish but have everlasting life." I John 3:16.

QUESTION: What will this love specifically do for man? Answer: Behold what manner of life the Father hath bestowed upon us, that we should be called the sons of God." I John 3:1.

QUESTION: What does the love of God in the human heart cause man to do? Answer: "And every man that hath this hope in him purifieth himself, even as he is pure." I John 3:3.

QUESTION: How may we know that we have passed from death unto life? Answer: "We know that we have passed from death unto life because we love the brethren." I John 3:14.

QUESTION: Who does the Lord declare to be our brother? Answer: "I was eyes to the blind, and feet was I to the poor, and the cause that I knew not I searched out." Job 29:15-16.

This, with many other texts, including the parable of the good Samaritan, conclusively prove that the Bible teaches the universal brotherhood of man.

QUESTION: What is the state of one who professes to love God and who does not love his fellow men? Answer: "If any man say, I love God, and hateth his brother, he is a liar." I John 4:20.

QUESTION: What is not found in the hearts of those who love God? Answer: "There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love." I John 4:18.

QUESTION: What is the fate of all who lie and have fear? Answer: "But the fearful, and unbelieving, and the abominable, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake that burneth with fire and brimstone: which is the second death." Revelation 21:8.

Dear Member: (July 5)
The Curry county health association is sponsoring a meeting to be held in the Masonic hall, Gold Beach, on July 29, for the purpose of organizing a hospital district.

You are requested to select two delegates to represent your organization at this meeting.

We hope to have every organization in the county represented at this meeting to work out the necessary steps for a hospital association to prepare the way toward financing and erecting a hospital in our county.

We shall appreciate your co-operation and support in this project. Everyone knows this is one of our greatest needs in this area, and we hope we may have your support and assistance.

This meeting will begin with a plate dinner at 6:45 p. m. The dinner is being served by the Gold Beach Womens club. Respectfully yours, Dorothy Knox, president; Hazel Sydow, secretary.
