

MEMBERSHIPS TO BE SOLD IN CURRY HOSPITAL 'PLAN'

County Divided Into 13 Districts With Local Chairman In Each

GOLD BEACH—Col. A. J. Russell, membership committee chairman, announced that plans are nearly complete for the Curry county hospital association membership drive, Aug. 24 and 25. Curry county has been divided into 13 districts with a local chairman in each.

This chairman will sub-divide her district and select co-workers to cover the territory in the two days allocated to the drive. The first memberships will be sold at three "hospital" dinners given previous to the membership drive—one dinner at Port Orford, one at Gold Beach, and one at Brookings. These are planned to develop enthusiasm, and answer all questions. Everyone is urged to participate in one of these big dinners.

Cy Leland, chairman of the legal committee, announces that the corporation should be completed by the date of the drive. The committee has contacted a number of hospital corporations for suggestions and sample of by-laws and articles of incorporation, and is awaiting replies.

Posters will be placed in all post offices in the county and a "barometer" will be erected on the courthouse lawn to show all who pass by how nearly the goal is being reached.

Everyone contacted has been enthusiastic and willing to help the drive, so it should not be long before Curry county hospital can be a reality.

Elstons Leave Here For Tacoma, Wash.

Mr. and Mrs. E. A. Elston, who have made their home on Easy street over two years, left last week for Spanaway, Wash., a suburb of Tacoma, to make their home. They have leased their Easy Street place.

While here, in addition to raising lilies, Mr. and Mrs. Elston became quite famous for their strawberry raising, which seemed to be a profitable venture for them. Their daughter, Mrs. Neil Nelson, will have charge of their affairs in this area.

"Mind" is the subject of the lesson-sermon in all churches of

Christ, Scientist, on Sunday, August 22.

The golden text is "The Lord giveth wisdom: out of his mouth cometh knowledge and understanding."

Among the citations which comprise the lesson-sermon is the following from the Bible: "If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not: and it shall be given him" (James 1:5), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The greater or lesser ability of a Christian Scientist to discern though scientifically, depends upon his genuine spirituality" (page 95).

66 HIGH SCHOOL ALL-STARS WORK OUT FOR BIG SHRINE GAME, AUG 28

Pre-Game Ceremonies Will Start Promptly at 8:00 P. M. at Multnomah Stadium, Portland

PORTLAND, Aug. 17—Sixty-six youthful football enthusiasts, chosen as the best of the graduating seniors from Portland and Oregon high schools, are hard at work here in "daily double" practice sessions for their game at Multnomah stadium, Saturday night, August 28. The alumni of the prep ranks represent the Oregon All-stars and Portland All-stars, who will clash in the first annual Shriner's hospital game. Game time is set for 8:30 with colorful pre-game ceremonies slade for 8 p. m.

Coach Dick Sutherland of the state team welcomed his charges Sunday and sent them through the first of two weeks of intensive training Monday at Commerce high. The staters will employ a single-wing attack in their quest for victory in the inaugural tilt.

All proceeds from the game, to be modeled after the East-West Shrine game at San Francisco, will go to the Portland unit of the Shriners' hospital for the crippled children.

The pre-game ceremonies will feature at least four bands, several drum and bugle corps and many marching units. There will also be a half-time pageant to make this affair the most spectacular ever held in Oregon.

Assisting Sutherland with the coaching chores are Don Mabec of LaGrande, Pete Susick of Marshfield and Ed Ryan of Klamath Falls. They've all expressed pleasure at the wealth of material and enthusiasm of the players, and practice sessions have been run off at a speedy clip to get in top form for the game.

The Portland squad is working at Jefferson high under the watchful eyes of Eric Waldorf, its head coach. He is assisted by Paul Durham of Franklin, Joe Enzler of Commerce and Fred Marineau of Benson.

Many activities have been planned for the gridders during their Portland stay. They will be guests at the Al Kader Tem-

ple of the Shrine, will visit the local Shriners' hospital and will be guests of honor at a University of Oregon picnic at Jantzen Beach park.

The public ticket sale opened here at J. K. Gill's Monday. Reserved seats are priced at \$3.00. Out-of-town mail orders, accompanied by check or money order, will be accepted at Shrine Game headquarters, Parlor B., Portland hotel.

Croft Lilies Bouquet For "Cut Flowers"

According to Leslie W. of Fairyland Begonia and Gardens, Croft lilies, next will be popularized more as cut flowers, in a report today to the Pilot.

There have been (the probably completed by this cation date) 100,000 bulbs chased in this community that purpose, Mr. Woodriff remarked. "Had this action been some time ago, the sale of lilies might never have been," Mr. Woodriff remarked.
