

With The Churches

Baptist Community

Rev. Nick N. Neufeld, Pastor
O. C. Turley, Music Director
Sunday school at 9:45 a. m.
Morning worship at 11 a. m.
Evening service at 7:30 p. m.
Young people at 7 p. m.
Bible study and prayer service, Wednesday at 7:30 p. m.

We have just observed Thanksgiving day as a nation, as a people and as a church. I think it would be well that we as a church should join with all the churches of the nation to make Sunday, Dec. 5, as a Sunday of Sacrifice. Let us do without to give some poor, hungry man, woman, boy or girl, some food and clothing.

Sunday morning, following the worship service, we are to take an offering for the needy people. Then, too, we as a church are getting clothes to be sent to the needy in Europe. Leave any usable clothes at the church and the church will send them to the proper authorities for distribution abroad.

The subject of the morning worship is: "What Makes A War Profitable?" The Sunday evening subject: "The Greatest Miracle in the Bible."

The young peoples service has as subject: "Reverance in God's House."

Just as a brief note on the services for the month of December: Dec. 12, Universal Bible Sunday.

Dec. 17 and 19 Rev. James Denham.

Dec. 31: Watch night service. Rev. James Denham, former pastor of this church, will be with us for two services, Friday night and Sunday morning. He will show slides of Foreign Mission work.

Christian Science Society

Services Sunday at 11 a. m. at the I. O. O. F. hall. The public is invited.

"God the Only Cause and Creator" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 5.

The Golden Text is "Thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else" (Isa. 45:18).

Among citations which comprise the Lesson-Sermon is the following from the Bible: "I have made the earth, and created man upon it" (Isa. 45:12), together with the following correlative passage from the Christian Science textbook: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence" (page 331).

Along Azalea Row

TO US—OUR OWN—

The announcement of the state forestry department of the acquisition of one of the finest groves of myrtle trees—the 160-acre tract on the south bank of the Chetco river, gave special reason for celebration this past Thanksgiving.

The Azalea Garden club, together with others of the state federation of garden clubs, have been given no small share of the credit for this noble achievement in conservation. That the previous owner shares greatly in this credit is attested by the naming of this "gift to the future" the *Alfred A. Loeb Forest Park*.

We may forget the long botanical name of our myrtle—*Umbellularia-Californica*, of the family Lauraceae, and that of the different species found in Holy Land—myrtle Communis of the family Myrtaceae, as long as we remember that our tree grows neither in Brooklyn nor along the shores of the Mediterranean.

Christmas Tree, Party, Dec. 9— The December 9, meeting of Azalea Garden Club features the Carol Singers under the direction of Mrs. C. A. MacKenzie and the Gift Exchange (home-made or grown). There will be five-minute talks on the horticulture symbols of Christmas—the history of the holly wreath by Mrs. Erskine Miller—the Poinsettia, Mrs. Will McVay—the Christmas tree by Mrs. Webster Hibbard and the Mistletoe by Mrs. Hazel Hendry.

Mrs. Guy Rice, our club president, asks us all to take a look around our gardens, and those who can, bring flowers or wreaths—corsages, table and mantle decorations. This in connection with thta part of the program "New Ideas in Holiday Decoration" under the supervision of Mrs. A. E. Sandbo.

In the absence of Mrs. Faye Hardesty, the decoration chairman, Mrs. John Hogan has the able assistance of Mrs. Tony Christensen who is also chairman of hostesses for the day—Mrs. Charles Grayshel, Mrs. Jessie Hoagland, Mrs. Ray Guerrettaz, Mrs. Louis Stoller, Mrs. Lloyd

Moss and Mrs. James Koehler complete the list of hostesses.

Our Budget Runneth Dry— Mrs. Ed Ackley (Cornelia), our hard-working financial chairman, asks me to tell you that she will have some of that lovely birds and wild-flower note paper for sale at the next meeting.

This is put out by the Audubon Society. Mrs. Will Crissey was in charge of sales of this same at our spring flower show. Some of you missed these because the enthusiastic buyers exhausted her supply and put her out of business in no time.

Remember! For sale also will be some very attractive Christmas calenders, that will also be nice Christmas gifts. A silver tea and a fine of 10c for anyone not wearing a corsage is the order of the day. However, those who forget their "flower in the button-hole" may buy a Christmas corsage of Holly from the financial committee (a very pretty one, too) thereby helping the treasury.

So, bring along some of that lovely thing, called erroneously the root of all evil—bring yourselves and the Christmas Spirit. It is going to be a very special meeting—our district vice-president, Mrs. C. C. Farr of Coos Bay, will be our guest and it will be our last get-together before we say "a-dieu" to this year of 1948.

Thought for the Day—

"God is a zealous pruner, for He knows—who, falsely tender, spares the knife But spoils the rose."

Mr. and Mrs. Herbert Leming and Mr. and Mrs. Bill Barton were business visitors at Klamath Falls the first of the week.

Card of Thanks

We wish to thank all our many friends for their acts of kindness, during our recent bereavement. These acts will never be forgotten by us.

Mrs. Bonnie Liming,
Erwin Leming
Herbert Leming
Grace Blagden.
Lorraine Payne.
