Rod and Gun Club Doings—

Enthusiasm is running so high concerning the Ramrods basketball team that, although there was no practice called for last week, due to Thanksgiving, seven or eight of the players arranged their own practice sessions both Friday and Saturday nights and had a grand workout.

The next regular practice will be held tonight (Thursday) at the high school gym at 7:30 and every Thursday thereafter at the same hour. The new basketballs have arrived and will be in use from now on. Any additional information desired may be had by contacting President Merle Hanscam of the Rod and Gun Club, who stated yesterday that a turn-out of 20 to 25 players is expected at tonight's practice.

The enthusiasm generated by these enterprising Rod and Gunners is truly remarkable. They possess that enviable spirit and drive which brooks no interference and recognizes no bounds, but, sweeping all obstacles aside like the proverbial ten-pins, they attain their goal standing up. Anybody got any doubts as to what kind of a basketball team they'll have?

Mr. and Mrs. George Cummins (both Liar's Club members in good standing) report taking two nice Chinook last Saturday, wt. 32 and 22 lbs., respectively. Also,
