

Brookings-Harbor Pilot

Nowhere a Finer Climate - Nowhere A Finer Community

VOLUME THREE, NUMBER XXXXVI.

BROOKINGS, CURRY COUNTY, OREGON

THURSDAY, JANUARY 20, 1949

BOY SCOUTS WILL FIRST VISIT AT UNITED NATIONS ASSEMBLY MEET.

Scouts Also Will Be Honored At Nation's Capital By President Harry Truman

While many details are still unknown concerning the proposed trip for the 26 Boy Scouts chosen to make the trip to New York and Washington, D. C., the Pilot has learned that the first stop would be at the United Nations' assembly, where each boy will be expected to tell about scouting in his region.

Scouting, almost universal in its influence, is expected to be one means by and through which international peace may be obtained. These 26 boys will be permitted to meet dignitaries from all nations subscribing to the principles set forth by the United Nations.

At Washington, D. C., a banquet is planned. Here these boys will meet congressmen, senators, and high government officials, and will pose for pictures with President Harry Truman, honorary president of Boy Scouts of America. The seven days on the eastern seaboard are filled with experiences which every boy will cherish as long as he will live.

Bruins Add Three More Games Fri., To 'Win' Column

Brookings Bruins, hot on the trail of their second consecutive county hoop championship, put themselves another step nearer, Friday evening when they went to Ophir and came away three games "richer" for the trip.

The "B" squad, with Jaklewicz and Fitzhugh each with four, defeated the Ophir "B" squad, 18 to 9 in a game which was closer than the score indicated. The "A" squad dumped their adversaries 45 to 35 in the evening's finale.

Still unmatched in the county in scoring punch were the volleyball girls who smothered their opponents, 55 to 7, when Patty Braun was the desperado who made 18 of them.

Bruins 'B'—19	fg	ft	pf	tp
Jaklewicz, f	2	0	0	4
Carte, f	0	2	0	2
Brown, c	0	1	1	1
Fitzhugh, g	2	0	2	4

Totals	3	3	7	9

Half-time score: Brookings, 7; Ophir 4. Free throws missed: Jaklewicz, 1; Carter, 1; Vaughan, 4; Moore, 1; Whittaker, B., 1; Nash, T., 2.

Barn Dance Will Be Held, Saturday

To finance the Junior-Senior prom of the local high school, the Junior class is staging a barn dance, Saturday, Jan. 22, at the Chetco Grange hall, under auspices of the Rod and Gun Club.

The dance, as the name implies, is an affair where fun of this type will be enjoyed. Dancing will be from 9 to 1.

P.-T. A. "Penny" Supper Nets \$90 Saturday Evening

To raise funds to carry on the program of the group, members of the local Parent-Teachers Association, Saturday evening, served the annual "Penny Supper" to well over 200 people.

Realized after expenses were paid, was \$90, which will be spent in betterment of conditions at the local school. The evening was climaxed by the showing of several sound pictures and of the lily parade in 8 millimeter films.

The sound projector, used to show some of these pictures, was purchased by the group about a year ago, to start visual education program in the local schools.

While many people still do not attend meetings of this group, interest this year has shown a definite improvement over last, according to local members. The group meets the first Thursday of each month at the high school.

Miss Rosie Potocnick has gone to Eureka where she will be employed.

Ellsworth Starts His "Discussion"

Following his custom since going to Washington as representative for District 4 of Oregon, Harris Ellsworth this week has started his column, telling of his opinions concerning the federal government lawmakers.

A worker for his district, and conscientious in his every action, Ellsworth has won more votes through his frank discussions in this column each week of the time congress is in session.

Publisher of the daily newspaper at Roseburg, Mr. Ellsworth gives factual statements about all congressional action, especially that which affects Oregon.

Blood "Typing" Will Be Done Here Wed'day, Jan. 26

In order to know where to obtain blood in case of emergency when transfusions are important, Brookings Rotary club has taken upon itself to obtain a "type bank" in this area. Dr. A. O. Schmitt, in charge of this work, has set Wednesday evening, Jan. 26 as time for typing of blood in this vicinity.

It is to be understood that no blood will be taken, only the type of blood. People must be in good health, free from any recent disease affecting the blood stream of the person, and must be under 50 years of age. While children may be typed, none under 16 to 18 years of age will ever be called upon for any transfusion.

During the war it was learned how important availability of the blood type could be. Many veteran alive today has this knowledge to thank. With industry on the upgrade in this community, there are bound to be accidents which may cause loss of blood and also necessity of having transfusions. With types known, anyone may step forward in case of emergency, if he has the right type of blood.

A nurse, skilled in this phase work, will be present at the local school, Wednesday, Jan. 26, at 7:00 p. m. to type blood. It is the hope of the Rotary club that everyone will avail themselves of this opportunity to have their blood typed, even for their own self-satisfaction.

MARCH OF DIMES CAMPAIGN WILL BE CLIMAXED WITH DANCE, JAN. 29

V. F. W. Auxiliary Sponsors 1949 Dance To Aid Local Community's Contributions

That the Brookings-Harbor area not fall down on its expected share in the March of Dimes campaign, the Auxiliary of Post 966, Veterans of Foreign Wars has assumed responsibility for staging the annual dance for that worthy cause, to be staged at Chetco Grange hall, Saturday evening, January 29.

While Curry county in recent years has never experienced even a mild form of polio epidemic, the county has always "gone far over the top" in subscribing to the fund, started by the late Franklin D. Roosevelt in 1938. This area has set the pace for the county in subscriptions.

Containers, placed in all business houses, are gradually filling with dimes, to be sent to the national foundation. Cards have been mailed to each box holder, both at Harbor and Brookings, in an effort to obtain subscriptions from everyone, regardless of amount. Oregon polio cases have increased in the past year more than 100%.

Blueberry Culture Subject For Serial Article In Pilot

George Asdel, a young man with an idea, after the war was over, came to this county to begin life in a way he thought he might like to enjoy.

Being so minded, he became interested in the possibilities in Curry county, and especially in a crop which he thought should make the county famous. He is definitely decided upon blueberries as that crop.

In this issue and for the next two or three weeks, Mr. Asdel tells his story, and gives his reasons. While in the nursery business of blueberries, his articles are not a method "high-pressuring" people to plant every available acre to these berries.

Elsewhere in this issue Pilot readers may read his first message, which will be followed by articles on the culture.

Ramrods Bill First Home Game Tonite

Ramrods, the promising team sponsored by the Chetco Rod and Gun Club, will meet the Smith River team, tonight at the high school gym, in the first of the season's games. Next week, the Ramrods will meet Crescent City Veterans of Foreign Wars.

With a victory over Bay City Market, 44 to 22, last week, at Crescent City the Ramrods hold promise of being a factor for all comers to contend with before the season is over.

Boy Scouts Serve Wieners On Beach

Plenty of "hot dogs" and buns to make them more palatable, comprised the bill of fare, Monday evening when Troop 32 entertained the senior girl scouts at the beach near the Joe Zumpfe place in Harbor district.

Following the "eats" games of "capture the flag" and others filled the evening.

This was in appreciation for the services rendered by the girls at the recent court of honor and banquet when the girls served the tables.

Christian Science Lecture Billed For Area, Next Thurs.

"Christian Science: The Promised Comforter," is the subject of a Christian Science lecture, to be held at the I. O. O. F. hall, Thursday, Jan. 27. When Ralph E. Wagers, C. S. B., will come to this area.

With the public invited, local Christian Science Society members are proud to present such a speaker, whom they claim is recognized as one of the great lecturers of the Mother Church, The First Church of Christ, Scientist, Boston, Mass.

A resume of the talk will be published in these columns the week following the lecture.

Officers For Year 4-H Club Names

GOLD BEACH—Marvin Reed was elected president of a 4-H livestock club, organized in the Brookings-Harbor vicinity. Vern Garvin was selected as leader, and L. O. Hampton advisor.

Jerry Anderson is secretary. The club includes nine members. In addition to livestock, some of the members are also carrying poultry and rabbit projects.

Membership of the club includes: Marvin Reed, Lyndle Fadling, Jerry Anderson, Dennis Fadling, Frank Fadling, Clark Schley, George Foster, Darrell Hampton, Dean Hampton and LaVaughan Salmon.

January Hi-Lines Will Be Out Soon

January issue of Hi-Lines, publication of Coos-Curry Electric Co-operative, were given to the printers last week, and should be to all readers and members of the co-operative before the end of the month.

This issue contains much information concerning the erection of the generating plant at Gold Beach, and of the future planning for the power distribution for Southwest Oregon.
