

Grayshel Urges All To Aid In Seeking More Tourist Travel

Charles H. Grayshel was named vice-president for Curry county to succeed himself and Pete J. Lesmeister named as director, at the recent board of directors' meeting of Oregon Coast Association, held at Astoria. M. E. Kelley of Port and Mr. and Mrs. Paul Woods of Gold Beach were others from the county attending the affair.

The budget, as submitted by the manager, for an expenditure of \$20,000 for 1949 was approved.

Membership into the Pacific Northwest Travel Association was voted by the board as well as approval for the manager to travel to the "travel shows" at Chicago and Detroit this coming spring. The manager reported mailing out upon request over 75,000 folders in 1948 and answering some 3,000 letters asking for information about the Oregon Coast.

Committees appointed by the president, H. A. (Sandy) Sanders to act for the coming year:

Fish and Game, Paul Woods, chairman.

Standardization of Rates, Gordon Goetz, chairman.

A "legislative committee" will be appointed soon to study new law that may affect the membership on the Oregon Coast. The board voted to send Gov. Douglas McKay a letter asking if the bill increasing the membership of the game commission from five to seven men passed, and that the two new members be selected from the Oregon Coast.

Crescent City, Calif., will be host to the 1949 convention, in November.

"Curry county still needs more members to help support the cost of bring these tourists to Oregon. Our membership in 1948 was 41 members, over 30 of these living in the Brookings and Harbor vicinity, the remainder in Gold Beach, Port Orford and Langlois. We should have 45 new members in Gold Beach, 10 new members in Port Orford, and 10 more to be spread among the following:

Hearing Aid Users Receive Free Gift

If you advise the make of hearing aid you are now wearing, and send the name and address of a hard-of-hearing friend, an Oregon firm will send YOU without cost, a very useful battery tester! Every hearing aid user should have one. JAMES N. TAFT & ASSOCIATES, 734 American Bank Bldg., Portland 5, Ore. 41

Pistol River, Ophir, Denmark, Sixes, Langlois. If you are in any business on the highway, we do need your membership." Charles Grayshel told the Pilot, when telling about the meeting.

points, the second string walloped Langlois Bs 39 to 11. Fitzhugh and Vaughan followed with eight points each.

Langlois Tough To Win Over

With Kinion needing almost the entire game to have "time" for his coveted letter, and with a few other second string boys on the same list of letter-winners, it was practically the second team which played Langlois As in the last game of the evening. True to his promise to the boys, Guthrie left them in the time needed, even with defeat almost overtaking them in the final minutes. The score was 39 to 38.

Where there's no sidewalk, be sure to walk facing traffic, on the left side of the highway. In Oregon, 14 were killed walking with traffic for every one killed walking against it.

Jeep Fails, Then Plane "Delivers" Groceries

Wilson Freeman, Ted Freeman and Howard McClung, for two days made desperate efforts to reach Big Flat by Jeep, on the south fork of the Smith River, to take feed and groceries into the marooned "Big Flats."

They failed, due to heavy snows. Wilson Freeman and Leland White prepared package that could be dropped out of an airplane, such as beans, bacon, salt, matches, etc.

Leland fled over Wednesday, and being unable to land, signalled the people and dropped the package of groceries, which will keep them until the snow is melted enough to get in by car.

People of this area are hoping these people will have sufficient feed to keep their cattle living until they may be reached by car.

1949 Fashions Will Feature March 12 Show Of Clothes

According to several Satellite Club members, sponsors of the annual event, which was begun last year, local stores again are co-operating in the annual Spring Fashion Show and Dance, set for March 12 at the Chetco Grange hall.

While there still remain many details to work out, the plans, say members, will follow those established last year, when the "latest things" in fashions will be on display, on live models.

Old fashions will come up for scrutiny, say some up for consideration—this may prove to be something new, as there seems to be a little bit of secretiveness about the plan.

Benefit Dance Nets Over \$100 Sat'day

A sum of approximately \$105 will be turned over to Ambulance Incorporated, for purchase of the insurance policy coming due on the Brookings and Harbor ambulance in July, as result of the benefit dance sponsored by the Brookings Rotary club, Saturday night at Chetco Grange.

With a fair crowd out, knowing the importance of the event, enjoyed not only a good dance, but a wiener, coffee and pop refreshments as well. Music was furnished by six pieces, some of which gave back their money for playing that evening.

Crossing between intersections is often the shortest way to get where you're going—if the hospital or cemetery is your destination. Otherwise it's better to walk to the corner.

National Symbols Described In Bible, Says Lecturer, Sun.

"Modern cartoonists who caricature Russia as a bear, Great Britain as a lion, and the United States as an eagle may well have taken their idea from the Bible for God used this method of symbolizing nations 2500 years ago in the prophecies of Daniel," suggested Pastor Leo VanDolson, in his lecture at the Chetco Inn last Sunday night.

The lecture entitled "What is Jesus Doing No?" covered the prophecies of the eighth and ninth chapters of Daniel. According to the lecturer the 2300-day-year period of these chapters extends from the decree to rebuild Jerusalem issued in the year 457 B. C., down to 1944 A. D.

The first 69 weeks (or 483 years) of this prophecy, the lecturer pointed out, is one of the most outstanding evidences that Jesus of Nazareth was the true Messiah for it actually predicted that the Messiah would begin his Ministry in the year 27 A. D., the very year Jesus was baptized and began his public ministry.

"At the close of this longest Bible-time prophecy in the year 1844 the Bible predicted that the sanctuary that Paul speaks of as being in heaven began to be cleansed. To aid in the understanding of this great event it is necessary to study the ancient temple services of the Jews and especially the cleansing of their sanctuary on the annual Day of Atonement," VanDolson said.

He went on to explain that the cleansing of the sanctuary in heaven must refer to the work of atonement, judgment, and the blotting out of sins that Jesus Christ is now carrying on in heaven. Next week's "Know Your Bible" lectures at the Chetco Inn are listed on page four of this issue.

Kin May Apply For "Gold Stars" Now

SALEM—Application for gold lapel buttons, issued by the armed forces to next of kin of those who died on active service in World War 2, are now available locally, the Oregon Department of Veterans' Affairs has announced.

The gold star lapel button, authorized by the 80th congress, consists of a gold star on a purple circular background, bordered in gold and surrounded by gold laurel leaves. The recipient's initials will be inscribed on the reverse side.

The branch of service in which the deceased served will issue a button without cost to the surviving widow and each of the surviving parents. Other survivors, including children, brothers, and sisters, may obtain the button at cost price of about \$1.50. The serviceman must have died

while in active military service between Dec. 7, 1941, and July 25, 1947.

The act provides that no gold star lapel button will be sold to any person who has been furnished a lapel button free of cost, and not more than one such lapel button will be sold to any one person.

Private manufacture and sale of the button is prohibited. Buttons will not be distributed locally, but must be obtained from the appropriate branch of service.

Application forms, NME3, may be obtained through the department of veterans' affairs, 416 S. W. 11th Ave., Portland, and the State Library building, Salem, or from county veterans' service officers, from the headquarters of American Legion, the Veterans of Foreign Wars and the Disabled American Veterans, at any army, air force, navy and marine recruiting stations in Oregon. Instructions and mailing addresses are included on the forms.

LOCAL NEWS

Pfc. and Mrs. John M. Ashley and Mr. and Mrs. Arthur Ashley and other friends were here Sunday to visit the men's brother-in-law and sister, Mr. and Mrs. Drake, and mother, Mrs. Ashley. They are stationed at Camp Stoneman, Calif.

Mr. and Mrs. Ralph Vincent left by car Monday for Los Angeles, Calif., where they will meet their son, Jimmy, Saturday. Jimmy, who has been east with 12 boys scouts for national scout week, is returning by the southern route. Mr. and Mrs. Vincent plan to stop en route to shop for goods for the gift shop.

Homer Kessler was taken suddenly ill Saturday and confined to his home with a severe attack of influenza.

People, used to having their daily newspapers, were lost Saturday, Sunday and Monday, by failing to receive the Oregonian or Journal, whose pressmen had walked out on strike.
