Sponsored by Chetco Rod and Gun Club

Along Azalea Row

Spring and its beauty is the time of that patient, unknowable thing imprisoned in our being that we name our soul. At this time we open more windows for this neglected, too-seldom-spoken-to-shadow of ourselves and it peers out searching, gathering, refining and storing. With the glow from a daffodil it sheds light on, perhaps, some beautiful thought of the distant past now understood in its real significance. With the budding trees it brings us into contemplation with all of nature and ourselves.

With the Crocus, it may waft us back to your youth—remem-

bered kindnesses of older people—bits of wisdom dropped from them with a teasing smile, figuring it wasted—some feeling, it would evidence itself at a later time, perhaps—the patience of teachers (our great friends) struggling to convey the concept of an abstract thought to the little animal that is youth.

When the soul is "out" it brings with it all its treasure of purified experience for us to see. In this treasure are our dimensions, the measure of us and to the extent we see clearly, this treasure, we make our future progress.

Spring has been called the "time of the soul," perhaps, because then it is not in our power to keep our "windows" closed. They open themselves as involuntarily as the seeds of ceration.

GARDEN CLUB—

The club may look forward with considerable satisfaction to the grand work done by Mrs. Roy Becker, Mrs. E. B. Mathews and Mrs. Frank Pallady which will bring the displays of birds and wild flowers, flower scrapbooks, bird houses, and bird nest collection from the schools to our next monthly meeting, April 14. The youthful exhibitors and their parents will be guests at the meeting. The 44-H Azalea Flower Girls will present tableau, "Fun with Flowers." Fittingly, guest speaker of the day will be Burton Hutton, state 4-H leader, of Oregon State College. The hostesses of the day, under chairmanship of Mrs. Robert Swan, will be: Mrs. Fred Reiling, Mrs. Will Tufts, Mrs. Rose Hubbard.

Mrs. Wes Kindel and Mrs. Rose Kelleher.

And speaking of hostesses, a discussion between Irma Rice, the club's present president and Dorothy Lockland, last year's president, brought to light the work of the over-all chairman of the hostesses for the year, Mrs. A. V. Muchmore. This was a new chairmanship established this year, and Mrs. Muchmore's grand job of it, getting substitutes here, helping there, etc., has taken a big responsibility from the shoulders of our president, Mrs. Rice, and our vice-president and program chairman, Mrs. Alice Perkins.

AZALEA FESTIVAL AND FLOWER SHOW

The date of the Azalea Festival and the Garden Clubs' big annual flower show and arts and crafts exhibit has been set for May 21 as opening day. Mrs. Dorothy Lockland is in charge of the Flower show and art exhibit and this will be discussed at our next meeting.

It is to be regretted that we did not know the exact date of our annual flower show a few months earlier before the itinerary of the national council of garden clubs of America was set. As you know, they are holding their national convention at Portland this year, commencing May 22. Delegates from 41 states are coming up the Redwood highway and are spending the night of the 20th at Eureka and unless they are routed through Grants Pass, will pass through our town the day of the 21—the very day that our flower show and festival begin.

Mrs. Rice, our president, has written to Mrs. Ralph Fowler, state president, about this and if it is not too late, we may have visitors for a short time.

Smith River Flower Festival Plans Are Elaborate, Report

SMITH RIVER—According to a report made by Mrs. Helen Dunham, general chairman, and Mrs. Eunice Faris, club president, the Woman's Club Flower Show, set for April 6, will be greater than ever.

Elaborate plans are under the committees headed by:

- Flower Arrangements — Mrs. Mabel Maris.
- Specimens—Mrs. Grace Hight.
- Cut Flowers — Mrs. Frances Westbrook.
- Plant Sales—Mrs. Laura Brock.
- Indian Booth—Mrs. Una Rowley.
- Driftwood and Beach Arrangements—Mrs. Maudee Luick.
- Art Display—Mrs. Alice Bolick.
- Tea Hostesses—Mrs. Leah Wilson and Mrs. Martha Ulrich.

The time from 1 to 2 p. m. will be granted people who wish to take colored pictures. The door will be open at 2 p. m. for the general public, and again between 7 and 9 p. m.

Setting their goal according to experiences the members have had in other flower shows both here and elsewhere, the Woman's Club will not be satisfied with a show that will not exceed all others ever displayed in this vicinity, regardless of time or the organization doing the work.

Much work already has been done toward this goal, Mrs. Faris said, and more is being done each day.

As many of the local members are members of Azalea Garden Club, help is expected in so many ways from that group, expected to make individual displays.

Theodore Tamba, son of Mrs. A. Tamba, of Harbor, has been named one of the defense attorneys for Tokyo Rose, for her coming trial for treason, at Tokyo. It was learned here this week. Tokyo Rose, graduate of U. C. L. A., and for a long time an American citizen, broadcast for the Japanese government during the war.

**Sea Scouts Plan
2nd Annual Crab
Feed, Wed., Apr. 13**

Sea Scout Ship, No. 232, has set Wednesday, April 13, as date for its second annual "crab feed," and will, this week, start advance sale of tickets for the big event.

To be held at the Grange hall, the event will begin at 7 o'clock. Following the feed movies will be shown as was done last year.

In placing the order for the tickets, Elmer Parker, skipper, told the Pilot, "A new scheme will be started this year. Crab will be placed on the tables in large containers, and if people do not get enough to eat, the fault will be their own."

Funds raised in this manner last year, bought the paint for the ship, new parts for the motor and a new propeller shaft. Funds expected at the forthcoming affair will be used to launch the ship some time this spring.

**Harbor Women To Hold
May Day Tea, April 29**

At the meeting of Harbor Community club last Friday plans were made for the club's annual May Day Tea, which will be held this year on Friday, April 29, as

May 1 falls on Sunday.

The money raised by this tea will go to buy more books for the community library, sponsored by the club.

An interesting program is being planned for the afternoon.

**"Cheapest Thief" Takes
Seal Sales Can At P. O.**

The worlds "cheapest thief" is a resident of this community, it was pointed out Tuesday by the announcement that the Easter Seal Sales can had been taken from the post office lobby by a person or youngster.

The can did not have much in it at the time it was reported, but its disappearance was first noticed Tuesday morning.
