#### District Meeting With Prexy

Mrs. Guy Rice and Mrs. Bob Perkins journeyed to the north last Thursday to attend the district meeting of garden clubs at Coos Bay. Mrs. Ralph Fowler, president of state federation, was there to hear the reports of the different garden club presidents who are under the aegis of Mrs. C. C. Farr, district vice-president.

#### Birds and Wild Flowers

Under chairmanship of Mrs. R. Becker, Mrs. Mathews and Mrs. Frank Pallady, are to be congratulated on their showing of work done in the school which gives us an idea of what we may expect in the way of exhibits at the annual flower show where the prizes for this work will be given out—wild flower scrapbooks, bird nest collection and bird houses. Also the paintings of wild flowers by the fifth grade under tutelage of Mrs. Garcia. These were splendid. Mrs. Mathews who was to give a report of the year's work in this connection, instead, brought little Sandra Simmons, one of her pupils, to the club.

Sandra had prepared a comprehensive and interesting paper on this which she read to the club to their evident pleasure and surprise at the accomplishment. It told all and told it well.

#### Thought for the Day

The world is full of judgment days and into every assembly that man enters, in every action he attempts, he is gauged and stamped.

### Easter Seal Sale Lags Over State of Oregon

Easter has come and gone, but judged by accomplishments, the Easter Seal Sale by the Oregon Society for Crippled Children and Adults has much unfinished business to complete. A great

program for restoring the usefulness, and building the minds and morale, of hundreds of physically-handicapped children and adults stands in jeopardy of damaging curtailment unless the seal sale is brought to a successful conclusion.

Remember, a wonderful cause is perilled not because those who gave didn't give enough, but because not enough gave. Buy the Easter Seals today!

### Cub Scout Doings

Well, folks, here we are at our April pack meeting. Den 2 is advancing our colors. Our meeting has started. Cubmaster Dixon is telling us about the trip he and Don Carter made to Springfield, Ore., where 35 different Cubmasters from other packs attended. He has brought back a lot of new ideas that are going to make this a very interesting year.

Our cubmaster has just called up front Douglas Goldsberry and his parents. Mr. Goldsberry has been given the Bear award to pin on his son's uniform. Next we have Larry Meyers and Gary Ault who are likewise receiving the Gold Arrow award and now here is Dick Fadling to receive the Silver arrow. Richard Cochran is receiving his card showing he has earned five more silver arrows. Richard will look like a decorated general soon.

Our achievement ceremony is over now and the possibilities of a Cubarena, similar to Scout camporee, is being discussed. It will be held in conjunction with Port Orford and will be held at Gold Beach when good weather arrives.

Cubs and leaders unanimously decided to hold our next pack meeting out of doors. This will be lots of fun.

We are dividing up now—and while the assistant cubmaster runs games for the cubs, the parents will meet separately with our chairmen and cubmaster to take care of plans.

Looking around at the displays of cub handicraft, we certainly will have to hand it to Den 2, headed by Mrs. Olsen, den mother and Den Chief Murry, for an outstanding job their cubs did.

A baseball diamond is planned and ready to start clearing out by Mr. Goldsberry, on his place, donated for this use.

A count has been made and we find Den 3 to be the winner of the pack colors for the month by having the most parents and cubs present. This closes our meeting and we will all make a dash for refreshments. — George Widney, publicity director.
