

Pacific Lily Growers Met Monday Evening, May 2

The local branch of Pacific Lily Growers Organization met Monday night to study plans and to elect temporary officers, preparatory to organization after the meeting of the Croft Lily Growers Association meeting next Monday night.

Mr. and Mrs. Clifford Walker, of Albany, were present. Mr. Walker is secretary of Pacific Lily Growers Organization.

Steady progress is reported by growers toward a strong United Front for the lily growers of all sections of Washington, Oregon and California, growin lilies.

Lily Growers To Meet

There will be a meeting of all lily growers to organize, as had been planned, a local organization to affiliate with an over-all organization. The date of this particular meeting was postponed from May 2 to May 9.

LOCAL NEWS

Mr. and Mrs. H. J. Weigel left Monday morning on a few weeks vacation trip which will take them into Idaho, Washington and northern Oregon, to visit friends and relatives. Recently the Weigels were pleasantly surprised by a visit from Dr. and Mrs. J.

B. Brooks of Eugene, who were on their way to San Francisco.

Members of the senior class of Brookings high school report an enjoyable time on their "sneak day" trip last week-end. They left early Friday morning and made Santa Rosa their headquarters, spending Saturday at San Francisco shopping and taking in the attractions of that city. Mrs. Mildred Byrne and Arthur Guthrie were chaperones.

Mrs. Bertha Ipson of Crescent City and her infant daughter, Shirley Esther, are spending several days at the home of Mrs. Ipson's sister and brother-in-law, Mr. and Mrs. Alvin Woodruff. Mrs. Woodruff is caring for Mrs. Ipson until she regains her health.

Mr. and Mrs. E. L. Carson are enjoying a week's visit at San Francisco with their son and daughter-in-law, Mr. and Mrs. Donald Carson.

N. V. Stromen of Rogue River is in this area looking after his business interests. He is associated with A. K. Hastings in extensive bulb plantings.

Ed F. Ackley was at Eurkea Tuesday apearng beofrt the California Highway commission on a permit to move overweight machinery across California highways. He pointed out that many

trucks were operating across the state line without an ICC permit. Mr. and Mrs. S. A. Webb left the latter part of the week for their home at Millerton, Penn., by way of southern California. They hope to idspose of their business in the east and return to Harbor to make their permanent home. They purchased the Al Clement home several months ago for that purpose.

The May Day tea given by the Harbor Community club to raise funds for the community library was attnded by a large rowd, which enjoyed the afternoon. A great deal of the success of the afternoon was due to the background music played by Mrs. Vivian Hudson, and several songs sung by Mrs. Karl Ostenburg, Mrs. Kay Bolin and Mrs. Hudson.

Both the Winchuck and Chetco market roads suffered damage during the recent heavy rains. Slides blocked both roads Monday morning and bulldozers have been kept busy keeping the roads clear, as the slides kept recurring after once being cleared.

Mrs. Nora Simmons is undergoing surgery at the Indian hospital at Tacoma.

Mr. and Mrs. Earl McPherson are visiting relatives in southern and central California for a few weeks.

If anyone wants to know how it feels to tangle with a Greyhound bus, just ask Lyle Dill, as he tried it Sunday, and came off second best. The Greyhound was going north on the Chetco river bridge, when Mr. Dill had to put on his brakes to keep from running into the back of the car ahead of him, which had slowed down when it saw the Greyhound

coming toward it on the bridge. The Dill car skidded out of control and the wet pavement, and ran into the bus. Mr. Dill suffered many cuts on his face and bruises all over his body, but is able to be out. His car was a total wreck. If both vehicles had not been going at a moderate speed, the results could have been much worse.

GOVERNOR DOUGLAS McKAY URGES US!

In 1949, the tourist business will be one of the largest industries in the State of Oregon. It is important that these tourists be well taken care of and informed on what to do and where to go while they are visiting in our state. These guests will be expecting courteous service, fair prices, and fine accommodations.

So that we may be fully aware of the opportunities and responsibilities presented by Oregon's tourist industry, I urge that the period from May 2 to 8, be set aside as a time during which a state-wide public information campaign will be conducted. I am, therefore, designating this week to be known as "Tourist Host Week."

The purpose of designating this time is to better inform employers and members of their organizations of their responsibilities in helping our guests enjoy Oregon, thereby adding materially to the immediate wealth of the state, as each tourist will be desirous of staying in Oregon longer. A second point is to see that each personal contact with tourists makes them realize that we are their friends and that we invite them to come again and again to Oregon.

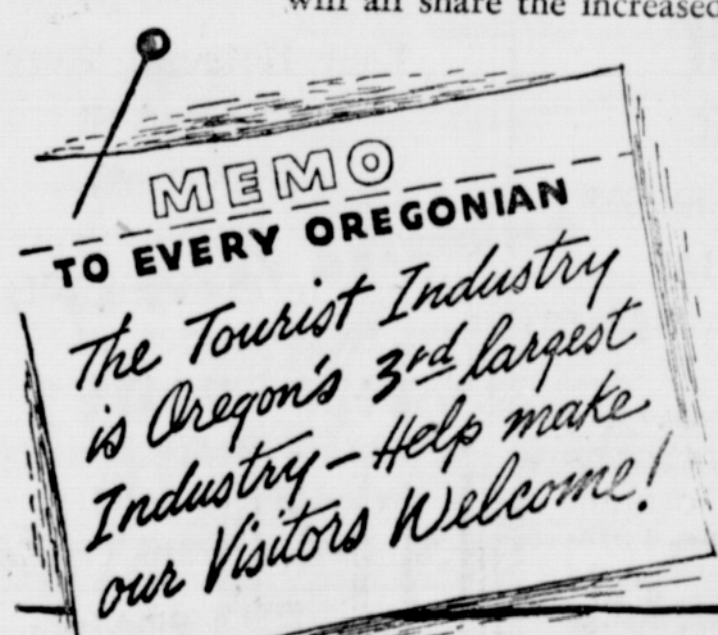

The tourist business, as has been shown to us in the past, is a big business. We have made a fine record thus far. Let us put forth extra effort this year to keep it so. Let us all dedicate ourselves to building tourist good will in 1949 and in the years to come.

DOUGLAS McKAY,
Governor of Oregon

BE A GOOD HOST!

YOU ARE A SHAREHOLDER in Oregon's third largest industry... the tourist business. Our state's tourist income in 1948 was \$92,000,000... more than \$57 for every man, woman and child in Oregon! We all have the opportunity to do our share to help build our tourist business. And we will all share the increased income to our state.

YOU CAN HELP OUR TOURIST BUSINESS GROW through your efforts to create satisfied visitors. Be helpful, courteous, friendly, informative. Do your share in "selling" Oregon—and our tourists will stay longer, return again, and bring their friends. **BE A GOOD TOURIST HOST!**
