

Pelicans Smother Glendale, 15 To 1, In First Game, Sun.

In first Rogue Valley League game, Sunday afternoon at the high school field, Brookings Pelicans gave notice that they would be definite contenders for the final standing at the end of the season, when they romped roughshod over Glendale, 15 to 1.

Behind the able southpawing of Dick Salvage, Glendale was helpless until the seventh inning when the first man tripled and finally came home on a hit, after two had fanned, and the crowd had thought Dick would slip by for a shutout.

Salvage's performance was impressive with eight strikeouts, and a stinginess of a miser when it came to giving out hits, in bunches to produce runs. His teammates, on the other hand collected a score of bingles with many of the extra-base variety, to pile up a victory.

Salvage, at the beginning of the game, after one was out, allowed two hits, but they never got past second until seventh. Sparkling fielding made the job easy for him, for Brookings played errorless ball all the way.

On the other hand, Glendale's fielding, despite their three double plays, was spotty and on the loose side. They booted the ball several times which added at least three runs for Brookings.

Whitey Matson, on the hot corner for Brookings, at his first trip to the plate, smacked out a triple, and came in on Spangler's single. A fast double play by the Glendale infield prevented further trouble that inning.

Three hits, a walk and three Glendale errors in the second accounted for four Brookings runs, the last they earned until the seventh when the total was lifted another tally.

In her half of the seventh, the Glendale aggregation scored its only tally. However, Brookings rebounded in her half of the 7th with four more, sparked by a triple by Vern Hanscam.

Everyone hit in the eighth for Brookings with Ray Gardner's big four-ply hit into deep right center, to set up five more runs to insure Salvage his victory.
