### "Flower Girls"

Last Saturday our leader, Mrs.

Lockland and Mrs. Aho, home demonstration agent, took the members to each girl's house to inspect their flower beds. We found the gardens much improved since our last tour. We found so many flowers in bloom: roses, tulips, pansies and quite a number of rare specimens.

after the tour we went to the beach and had a party, a weiner roast and other good things to eat. After lunch we went wading in the ocean.

We then visited Mrs. Swan's beautiful flowers and landscaped yard, which was quite a treat. We wish to thank our leaders and Mrs. Zumpfe for making this

party a success.

We are preparing our exhibits for the flower show. This is our last meeting until further notice, as our leader is going on her vacation. — Joanne Clendenin, reporter.
