

Expense-Paid Tours Featured Again By Greyhound Lines

Greyhound Lines, through the local agent, L. B. Howsley, announced that they are again offering vacationists this year the popular expense-paid tours.

These "package vacations" are "tailor-made" to suit the individual vacationist's time and budget and many tours have been planned to various parts of the United States, as well as to Canada, Alaska and Mexico. They include transportation, hotel rooms with private bath, side trips, sightseeing, and meals in some of the national parks, all at a low unit price for each tour.

"These are not 'conducted' tours," said Mr. Howsley, "the vacationist travels by regular Greyhound schedules. Each tour is planned for the individual or group, with all details worked out and reservations made in advance. Most tours may be taken at any time of the year. They are remarkably low in cost because of the advance planning and low Greyhound fares."

The 1949 expense-paid tour folders are available at the bus depot, Mr. Howsley said, describing many attractive offers.

Commander Scott Features Festival In Radio Program

Listeners of Mutual Broadcasting Corporation, Sunday, heard Commander Scott give this area considerable publicity about its forthcoming Azalea Festival, Saturday and Sunday. This item of interest took the entire time on "Romance of the Highways."

A famous world-traveler, Com. Scott, each Sunday morning over Mutual, features some area, or some stretch of highway which only he can describe in those fabulous terms. The land of Azaleas could never have been better described, even in poetry.
