Clark Schley Will Sail For Japan Soon

Clark Schley, son of Mrs. Ersa Fisher, and a junior-to-be in the local high school, expects to sail soon after Sept. 1, for Tokyo, Japan, where he will live with an uncle, and attend school, at an American school.

Clark, who has been active in 4-H work in this community the past couple of years, and who has won two scholarships to the 4-H Summer School at Corvallis, expects to take a pre-medical

course after completion of high school, toward becoming a doctor, he told friends.

Tuesday evening, while talking to Mr. Hampton and members of the school board, he said he was being "adopted" by an uncle, permitting him to go to Japan. He figures the experience would be worth perhaps a year in college. He promised to let the local high school receive letters telling of his experiences and progress.
