

Pelicans "Prepare" For Crescent City Merchants

Pelicans Smother Gold Beach, 14 To 3, At H. S. Field, For Third Time This Year

Following their third impressive win from Gold Beach Sunday afternoon, 14 to 3, Brookings Pelicans now are directing their attention to the forthcoming two-best-out-of-three series against the Crescent City Merchants. The first game will be played on the local diamond, next Sunday afternoon at 2 o'clock.

With Rogue River forfeiting her game for Sunday, arrangements were made with Gold Beach for a third game to keep the local team in readiness for Sunday's battle. For five innings it appeared like Gold Beach would make good her threat of beating the Pelicans in one of the games of the year.

After Westbrook had struck out the first Gold Beach batter, the next doubled, but he died there when the next two whiffed. In the second inning Westbrook allowed the first man to get on by courtesy of a walk, to second on an error. The next three were easy outs. In the third inning the second hit was made off Westbrook. He could get no further than second when his teammates popped out to first and the catcher.

Pelicans Got Busy Early

Matson, the first man up for the Pelicans, rapped one down the left field line good for two bases. Two walks, an error and a long fly accounted for three runs. In the third, Pelicans added another, apparently headed for another run-away. Young Wallace, American Legion Junior hurler, then slammed the door in their faces for a couple of innings.

In the fourth, after the first batter had lofted out to Putnam in right field, the next two hit solid blows, coupled with a free pass and another hit, accounted for two Gold Beach runs. Two hits added another in the fifth, to pull them within a run of tying the Pelicans.

Explode in the Sixth Inning

Apparently fearful of what the county seat lads might do, the Pelicans went out in the sixth to leave no doubt in the minds of fans who should win this ball game. Two walks, two hits, one

a home run by Hanscam, put over four runs and a safety margin for the Pelicans. This only whetted appetites for hits and runs, for the seventh saw them really deal young Wallace all the misery that any pitcher can endure. He was relieved by Fendrick after six runs had spiked the plate.

Salvage Miserly With Hits

Dick Salvage took up hurling chore in the sixth and Gold Beach found him to be the stingiest in the world to dole out hits. Dick, however, committed two errors to get himself into trouble in sixth and seventh innings, but sharp fielding shut the gate on Gold Beach.

Up for his first trip to the plate, Salvage leaned into a high inside pitch for a home run. Perhaps he was the most surprised of all at the field, for he had rounded first before the ball had hit, near the high school building.

The pelicans plan two work-
