Migratory Stamps \$2.00 Each, 1949

Duck and migratory stamps — so necessary when one wishes to set some of that type delicacies on the table, have also been victims of the inflation, according to Goldie Smith, postmaster, who told the Pilot that the price had jumped from \$1.00 to \$2.00.

They are now on sale at the local post office.

John Kaiser Moves Back To Vicinity

Mr. and Mrs. John Kaiser, who left here in the fall of 1947 for the Klamath Falls area, and later for Lake Andes, South Dakota, to return here about a year ago for a visit, before going to Hubbard, Ore., have returned to the area to make their home.

They have leased the Clark place on Dawson tracts, recently vacated by the Snyder family. The Kaisers informed the Pilot that "were here to stay." They may go into lily raising next year.

Not By Bread Alone

"There is a spirit in man; and the inspiration of the Almighty giveth them understanding." Job 32:8. "And thou shalt love the Lord, thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind." Luke 10:27.

"Then shall the dust return to the earth as it was, and the spirit shall reurn unto God who gave it." Eccl. 12:7.

"And I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ." 1 Thes. 5:23. "Man is more than a body that needs bread. He has a spirit; He has a soul; He must live again after this life. Man shall not live by bread alone." Matt. 4:4.—One-minute sermon by Jos. M. Johnson, Gold Beach.

Card Of Thanks

We find ourselves weak in picking the right words to express the deep appreciation we have for the valiant help offered us, Sunday, in an attempt to rescue our son, Jimmy. Certainly we can never quite thank Marie Hempel, Rip and Swede Gardner and Rollin Crump for their physical risks in attempting to reach the lad by diving into the mill pond. We wish, also, to express thanks to the hundreds who came, made themselves ready to aid us. The expressions of sympathy from everyone have somewhat eased the terrible pain that became our lot.

Stanley Carr and family.

Gold Beach Notes

Judge Guy Forsyth called on his little grandson, 2-year-old Guy Arnold Stokes, the other evening. Being about bedtime for little

Guy, Grandpa volunteered to do the rocking of the boy. After a short time the little fellow began squirming down and went over to his little rocking chair and began rocking vigorously, and informed "Guy" that he, grandpa, could rock himself to sleep. The judge is still wondering how his grandparents got around that, or who spoiled who.

Herb Dettmer, instructor at Leith airport, has five students taking G. I. training: Vance Scott, Max Moomaw, Joe Omlin Pr., Jack Ford and Fred Starkwater. Veterans may apply for G. I. flying course instruction again, Dettmer stated.

R. F. Wilbur, Portland, is visiting with the Johnson families for a week. He left Thursday in company with Mrs. Marvin John-

son and children, to go to Medford where he will visit Rev. and Mrs. Perry Johnson, and Mr. and Mrs. and LeRoy Williams, while Mrs. Marvin Johnson visits her parents near Hornbrook, Calif. They will return Sunday evening and Bob will return to Portland Monday.

LOCAL NEWS

L. V. Wilson, recently of Albany, has purchased a portion of the land recently owned by M. V. Cross, near the Leo Spangler home, and a part of that tract. Mr. Wilson plans to build on the property.

Mr. and Mrs. M. C. Beem and family, accompanied by his nephew and brother, returned last week from a trip to Klamath

Falls where they visited relatives. As they were about to return to Brookings they decided to drive to Reno, thence west to Sacramento and homeward. Mr. Beem's brother lives at Yakima. Send the Pilot to a Friend!
