

## Sixes Youth Group Entertained, Sat.

SIXES—Over 100 enthusiastic dancers, young and not so young, attended Sixes Grange Youth dance last Saturday night to swing their partners in the old time dances.

This group, under direction of Mrs. Eula Mastropolitto, Grange youth chairman, was organized two years ago for the purpose of providing entertainment for the youth of the community with proper supervision and chaperonage. Among the dances being

taught to teen-agers and anyone else interested in learning, are the Schottisch, Heel and Toe polka, Rye Waltz, Three-step, and Square dancing. Music is furnished by records and loud-speaker.

A special treat at last Saturday's gathering was the popular dance music played during the middle of the evening by Charley Jensen and his family band with Mr. Jensen at the piano, his youngest son, trumpet-daughter, clarinet and Mrs. Jensen, accordion. Both of the children are grade school age.

That these dances are a success is attested by the fact that they have grown from an attendance of 25 or 30 at the first few meetings until at a recent dance there were over 150. There is no admission charge. Those who come are given cards of membership which they present at the door each successive time. On the back of the card which is signed by the members are the rules to which each member subscribes. Some of these are:

I will give due consideration to the Grange building and property in every way.

I will remain in the main hall until I leave to go home.

I will not indulge in intoxicating liquors nor bring any such liquors onto the premises

If I am under 12 years of age, I will be accompanied by my parents or an older responsible person.

This group meets the third Friday of each month as a rule but this has been changed to the third Saturday during basketball season. Graingers and friends are welcome. Pot luck refreshments are always served.

## Gold Beach Notes

Spring meeting of Presbytery will be held here April 11 and 12. The Presbytery of southwest Oregon comprises the counties of Douglas, Coos, Curry, Josephine, Jackson, Klamath and Lake; and is composed of all the ministers of the Presbytery and one ruling elder elected from each of the 26 churches. It is assured that this gathering will be a great uplift to the local church which is just now beginning to use the long-needed new addition to its building.

Mr. and Mrs. Bob Klindera of Quincy, Calif., spent the weekend with her parents, Mr. and Mrs. W. D. Sibley.

Mrs. Gladys Taylor, Mrs. Ruth Briggs and Mrs. May Messenger visited friends at Crescent City Tuesday.

About 600 feet of the highway at Linville hill, half way to Port Orford slid out Monday night. That section was sinking at the rate of a foot per hour, and was 20 feet down on the north end Tuesday afternoon.

Other from here included: Richard Pugh and Dena Spencer, Dock, Hazel, Myron and Whale Livermore, Sadie and Edna Logan, Mr. and Mrs. Chet Kirtland, Naomi Cushman, Neil Knapp, Lee Estabrook and several others.

Port Orford P.-T. A. was entertained by Mrs. Rohner's fifth and sixth grade room with folk dances Tuesday afternoon when it met in the multi-purpose room of the grade school. Next month Penny Supper was planned for the 28th. It is hoped to have a speaker from Portland and a movie on the theme of Brotherhood. After the meeting adjourned refreshments were served by the room mothers.

Mrs. Marcella Gilfillan entertained Mrs. Tony Broili and Mrs. Evelyn Raasina at luncheon one day last week.

The Port Orford-Brookings basketball game was postponed until Feb. 7, at Brookings, because of weather and bad road conditions.

Services Sunday at 11:00 a. m. at the I. O. O. F. Hall. The public is invited.

"Love" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 29.

The Golden Text is "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with loving kindness have I

drawn thee" (Jer. 31:3).

Among citations which comprise the Lesson-Sermon is the following from the Bible: "God is love; and he that dwelleth in love dwelleth in God, and God in him" (1 John 4:16), together with the following correlative passage from the Christian Science textbook, "Science and Health With Key to the Scriptures," by Mary Baker Eddy: "Divine Love is infinite. Again we encourage parents of the community to attend some church school somewhere on the Lord's day. Community Church has classes for the parents and the children. Parents should feel their responsibility to the child to bring the child to Sunday school and that you as parents may set the example.

The pastor has chosen a vital subject for Sunday morning's sermon: "Sons of Adoption."

What advantage do the saints of the New Testament have over the saints of the Old Testament? What does the word adoption mean to us when used in regard to Christians in the New Testament?

In the evening the pastor is preaching on the theme: "Home." The subject for Sunday evening will be "Home and Literature." There are 730 million books in America, printed in 1948, about 720 million of which were comic books. The titles cover the alphabet from Ace to Zoot. Large newsstands carry as many as 600 varieties. Not a week passes but that our newspapers report juvenile crimes, seeds of which ideas come from these comics. So it

behooves us to note what we read.

Our study on Wednesday will continue on the great subject: "The Ministry of the Spirit." Do come with your Bible and let us note what the Bible has to say about the work of the Holy Spirit in this age.
