"Spirit" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 5.

The Golden Text is "Where the Spirit of the Lord is, there is liberty" (2 Cor. 3:17).

Among citations which comprise the Lesson-Sermon is the following from the Bible: "If we live in the spirit, let us also walk in the spirit" (Gal. 5:25), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit is the only substance and consciousness recognized by divine Science" (page 278).

This community will have a special privilege, Thursday, Feb. 9, to be able to hear the Laudisti choir. Well trained, this choir will bring to the community an evangelistic service entirely in song. The time will be at 7:30 p. m. and, none should miss it.
The pastor's subject for Sunday morning will be "Free Indeed." The background of this subject is the liberty that the Christian enjoys as a follower of Jesus Christ. Lord's Supper will be observed following the morning worship. We invite you to come and worship with us this Lord's day in the Lord's House.

We are seeing a steady growth in the Sunday school. Attendance last Sunday was 125. Yet we have room for more. Parents! do take your children to Sunday school for the child's sake.

Young people are having an hour of fellowship at 6:30 p. m. This is a meeting for the young people and all are asked to come.
The subject for the evening sermon, Sunday will be "Parents' Over-protection," along the discourses concerning the Home. Can a parent do too much, for a child?

We are having a great study together on Wednesday evening of each week. Soon we will begin a series of discussions on "How to Live a Successful Christian Life."
