 "Reality" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 26.  
 The Golden Text is: "Since the beginning of the world men have not heard nor perceived by the each, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him" (Isa. 64:4).  
 Among citations which comprise the Lesson-Sermon is the following from the Bible: "Do they not err that devise evil? but mercy and truth shall be to them that devise good" (Prov. 14:22), together with the following correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science, properly understood, would disabuse the human mind of material beliefs which war against the spiritual facts; and these material beliefs must be denied and cast out to make place for truth" (p. 130).

 Tuesday night Bible study (in the homes).  
 Thursday night evangelistic services, 7:30.  
 Sunday night at 7:30.

Our Sunday school reached a new high with 57 present Sunday during our pastor's absence. This will be a great encouragement to him. There are only two Sundays remaining to reach our goal of 75 by Easter. Come and join us, you will be most welcome.

This Thursday night will be another good evangelistic service, with special vocal and instrumental numbers offered.

Sunday night services are being conducted a little different than ordinary, due to all bringing Bibles and taking part in looking up scriptures to fit in with the evening message. Everyone seems to enjoy this method and seems to gain more Bible knowledge. It is encouraging to have our number increasing each week, but there are many who procrastinate. Heb. 2:3 says: "How shall we escape, if we neglect so great salvation."

The Chetco river is high and muddy. The high water took a number of oil barrels and logs out to sea. Some, however, have been retrieved.
